The ability for us to have down payment assistance is a blessing. My husband and I have been working hard to pay down our debt and not acquire more debt. During this process, we are unable to put money into Savings for a down payment. We were living in a two bedroom, one bath condo with our two children. The living arrangement was not ideal and we weren't sure if we would be able to ever get a house. With the Chenoa Fund, we now have a beautiful house that we all love! Thank You!
