This loan meant so much to our family. we would not be in this home without it. we realized what we were paying in rent we could pay a mortgage. we struggled to save money with kids, something always coming up and one off to college. So we concentrated on getting our credit up. we didn't realize the help that was out there until we started the process.

I'm glad and thankful for this loan to get my family in this home. Could not thank you enough

I was having trouble getting approved for a loan since I had a bankruptcy 2 yrs ago. I can't thank ya'll enough for approving me. My house makes me feel like an adult again! I hate apartment living! Plus my son can feel secure knowing we don't have to move anymore!

Very sincerely!

We started our home buying process on 4/8/2019

\$910

Yes- we were scheduled to close on this house on May 14th, 2019.

We're losing the house. We were SO excited to purchase our first home together. My daughter talks about her "new room" at our "new house" every single day. Since the removal of this program, we were given the option to come up with \$7500 before closing, or walk away from our house. Since we cannot possibly come up with \$7500 in 3 weeks, we're having to walk away from it. We had already purchased the inspection, appraisal, and supplied our earnest money. This.. is..heartbreaking. I am praying that this is overturned immediately.
