Minority homebuyers will be most affected by this rule. Are you a minority?

No

If you had not had this down payment assistance, how long would it have taken you to buy a home?

3+ years

Many people Chenoa Fund helps are first generation homeowners. Were your parents/guardians homeowners?

Yes

Please provide any additional thoughts regarding why homeownership is important to you, and why Chenoa Fund should be allowed to continue its work.

This loan helped us not only buy a home but also secure a permanent residence for our 3 girls. As a family of 5 we needed more space. Our girls range in age from 6-16. Each at a different stage and needing space from each other but also in raising kids and living expenses it was hard for us to save a larger amount. We are not a young couple just starting out. We are in our late thirties and we had been renting for 10 years. Without the down payment loan we would still be renting. We have not missed any payments on either loan. We were blessed by this loan without it we would not have been able to buy a home at all. I think it's a great opportunity and one that should be available to those who qualify.
