Had it not been for CBC Mortgage Agency down payment assistance program, we would not be living where we are today. We were and still are incredibly appreciative for the assistance. Owning our own home is the best feeling. We have a place to call home. Our child has a yard to play in and can run & explore the outdoors. We did not have a down payment. We were basically living paycheck to paycheck and were not able to save much. But thanks to CBC we were assisted with our down payment.

Thank you CBC for helping us buy our forever home!

Sincerely,
The Bergs

Minority homebuyers will be most affected by this rule. Are you a minority?

I Prefer Not To Answer

If you had not had this down payment assistance, how long would it have taken you to buy a home?

I Never Would Have Been Able

Many people Chenoa Fund helps are first generation homeowners. Were your parents/guardians homeowners?

Yes

Please provide any additional thoughts regarding why homeownership is important to you, and why Chenoa Fund should be allowed to continue its work.

The Chenoa Fund is necessary for home buyers of any kind who are able to pay for their mortgage but unable to pay for the down payment.
