Had we not received this down payment help, my family would have been forced to live in sub-standard housing for many more years, or potentially never have been able to purchase housing.

I am so happy in my home and so is my family. I have a place for my future and the future of my family when i'm no longer around. Purchasing is not easy and sometime impossible for some families that without organizations like would not be able make their dreams come true. We need organizations like Chenoa Fund around to help families get assistance to obtain a home.
