The Chenoa fund was very helpful to us and without it we would not have been able to purchase a home of our own. The only thing that could have been more helpful would have been a better description regarding repayment. Such as, please note that the repayment of this loan will be outside of your monthly mortgage payments. We are grateful for the help as we had some of the funds for our down payment, but not all that was necessary for our home. This program is important and I'm sure it would be very helpful to others. Thank you again and we hope this fund will bless others like it did our family.
