Name: George R

May we share your information outside our organization?: Yes

What percentage of applicants who you've offered Chenoa Fund to in the past, would NOT have been able to buy a home without this program?

76-100%

What are the main reasons you offer the Chenoa Fund program?

Ease of use, Better price, Ability to help more borrowers

Based on your book of business, who will be most hurt by this new mortgagee letter?

Minorities

Please provide any additional thoughts regarding why this program is important to you, and why Chenoa Fund should be allowed to continue its work

I would be really sad if I lost the ability to offer this product to my borrowers who lack the down payment to purchase a home. This program helps those that wouldn't normally qualify for other types of DPA's.
