**Minority homebuyers will be most affected by this rule. Are you a minority?**

I Prefer Not To Answer

**If you had not had this down payment assistance, how long would it have taken you to buy a home?**

1-2 years

**Many people Chenoa Fund helps are first generation homeowners. Were your parents/guardians homeowners?**

No

**Please provide any additional thoughts regarding why homeownership is important to you, and why Chenoa Fund should be allowed to continue its work.**

Chenoa fund greatly helps people who are trying their hardest to purchase their home. I was a first time home buyer and I needed a little help with a down payment. Without Chenoa Fund it would have taken me even longer and I wouldn't be in the home I love so much, raising my little family.

Chenoa Fund helped my family and I achieve a goal that would have been otherwise difficult without the funding. A down payment is usually necessary for the ownership process. **People who are less fortunate deserve to experience home ownership.** I was one of those who happen to be less fortunate. **I appreciate what Chenoa Funds did for my family. I am forever grateful.** Thanks Chenoa Funds!
