Please provide your response below:

I did not have my own funding, without the Chenoa fund, I would not have been able to purchase my new home.

Thank you Chenoa! God Bless

Minority homebuyers will be most affected by this rule. Are you a minority?

Yes

If you had not had this down payment assistance, how long would it have taken you to buy a home?

1-2 years

Many people Chenoa Fund helps are first generation homeowners. Were your parents/guardians homeowners?

Yes

Please provide any additional thoughts regarding why homeownership is important to you, and why Chenoa Fund should be allowed to continue its work.

This program helped my family to get a home. We were basically homeless because we were living in a friend's basement waiting for our deal to close. With the help of this program it was made possible.

I begin the process 1 year prior to buying my home
I spent about \$5600
I was able to purchase my home 2 months after I found it
I would not be able to purchase my home without your assistance.
