Being able to purchase a new home for our family meant everything. My husband and I got married 4 weeks after we closed on our, so planning a wedding, moving, and purchasing a home – not to mention a new job, created an unfathomable amount of stress on our family. Without Chenoa things would have been more chaotic. The ease of having assistance with downpayment helped us reallocate funds for not just our wedding, but our 4 children as well. The post- purchase calls, emails/texts are encouraging and serve as a regular reminder that we were able to accomplish this feat because there are incredible programs, like Chenoa, that are helping ordinary people realize their homeownership dreams.
