This program is amazing! While I had some funds available, it wouldn't have been enough for a down payment AND closing costs, as well as repair items. Especially in today's housing market. It was frustrating to be a person with a good credit score, good job, and means to afford a mortgage, without being able to get there prior to this assistance program. I no longer have to throw money away on rent and building towards my own asset. Thank-you so much!

The Chenoa program allowed me to purchase my first home. I searched several different programs for assistance and the Chenoa program had everything I needed to qualify for their assistance.

3+ years

Yes

**Please provide any additional thoughts regarding why homeownership is important to you, and why Chenoa Fund should be allowed to continue its work.**

Rent is so expensive in the Portland area, so purchasing a home was in my best interest while prices were somewhat affordable. I am in the middle to upper class financially, but it was so hard to find something in the Portland area that I could afford on my own. I ultimately found a condo to call my own and this would not have been possible without the Chenoa Fund.
