Minority homebuyers will be most affected by this rule. Are you a minority?

No

If you had not had this down payment assistance, how long would it have taken you to buy a home?

I Never Would Have Been Able

Many people Chenoa Fund helps are first generation homeowners. Were your parents/guardians homeowners?

Yes

Please provide any additional thoughts regarding why homeownership is important to you, and why Chenoa Fund should be allowed to continue its work.

My husband works in a warehouse environment for a non-profit that feeds hungry people and makes less than 25k. We were unable to save the downpayment funds because of this reason. Chenoa was a blessing to us, in assisting us with our downpayment because we purchased a home in the city limits and did not qualify for other DPA.

Chenoa should be allowed to continue the work they do to assist people with DPA to purchase a home.

Homeownership is the American Dream and costs of renting have skyrocketed beyond what a mortgage is. The Chenoa Fund is my last hope. The government bailed out banks, Fannie Mae and Freddie Mac fiascos and now wants to meddle with True Americans again.
