As home prices continue to increase, first time buyers are finding it very difficult to save enough money for traditional down payments. Chenoa loans give those first time buyers a very good option.

To be honest, I only use this program when there is absolutely no other option to use any other program I have available because it is a little more expensive and harder to get to work, but it has helped me get 4 to 5 customers in the homes that would not have qualified otherwise. It would be sad to see it go.
