**Minority homebuyers will be most affected by this rule. Are you a minority?**

Yes

**If you had not had this down payment assistance, how long would it have taken you to buy a home?**

I Never Would Have Been Able

**Many people Chenoa Fund helps are first generation homeowners. Were your parents/guardians homeowners?**

No

**Please provide any additional thoughts regarding why homeownership is important to you, and why Chenoa Fund should be allowed to continue its work.**

Homeownership is important. I feel like it is my biggest investment and it can help me and my family in the future. Chenoa Fund should be allowed to continue its work to help minorities that work hard like me with downpayment assistance who wouldn't been able to save all the money for down payment. Being a homeowner is a great accomplishment for me I haven't lived in a new home built since my grandparents house. I know they would be so proud of me if they were here.

Landlord is selling home and we need to get another place. When we spoke with our mortgage broker, chenoa down payment assistance was an option. By the time the offered Sent to purchase the home, the down payment program was no longer available. This delayed or ability to purchase significantly. Current saving to get down payment.
