Please provide your response below:

The Chenoa fund was a great resource for me and my family. I was in need of assistance and they were able to help. The downpayment assistance helped me achieve my homeownership. A representative reached out to me just to how I was doing which made me smile. I am so thankful that the Chenoa fund was able to assist me with the down payment for my house. The people who work with the fund are great. Thank you so much.

Minority homebuyers will be most affected by this rule. Are you a minority?

Yes

If you had not had this down payment assistance, how long would it have taken you to buy a home?

I Never Would Have Been Able

Many people Chenoa Fund helps are first generation homeowners. Were your parents/guardians homeowners?

Yes

Please provide any additional thoughts regarding why homeownership is important to you, and why Chenoa Fund should be allowed to continue its work.

I was in a very bad neighborhood i lived in for 17 years unable to save enough money to buy a home do my job situation and life trails and tribulations. **This loan helped me to move out of that environment into a more safe environment for my family and i.** I wished there were more programs out here to help low income families with purchasing a home.
