Minority homebuyers will be most affected by this rule. Are you a minority?

No

If you had not had this down payment assistance, how long would it have taken you to buy a home?

3+ years

Many people Chenoa Fund helps are first generation homeowners. Were your parents/guardians homeowners?

Yes

Please provide any additional thoughts regarding why homeownership is important to you, and why Chenoa Fund should be allowed to continue its work.

I was a teen mom. I was only on welfare during high school. I worked hard, I climbed the ladder, earned my bachelor's degree and joined middle income America. My son had a heridatry medical issue that took all of our spare money and resulted in bankruptcy due soley to medical bills. Were it not for this assistance it would have been several years more of wasted dollars being paid to rent. This assistance is important!

I am a single mother of three and I've been struggling with paying rent because it's so expensive. Getting this loan provided me with an affordable roof over me and my kids heads and I am so grateful that there are programs that help for those that do not have it,
