Mr. Whipple,

On January 26<sup>th</sup> 2018, I was told by my then girlfriend of 2 years, and whom at the time I was helping her through recent double hip replacement, that if I didn't like her attitude and comments to get out, so I left. I had no money saved, credit score in the low 500's and stayed temporarily at my cousins. With the help of Ken Mamano and his team and Chenoa, I was able to rebuild my finances and use the resources of PRIME and Chenoa had my offer accepted on 40% Widdelle loan, started to close on the house. I did not have enough, my divorce and alimony, child support my debt or continuously breaking, my funds started to dry up. The "loan" to help close was not only crucial, but actually vital to me being in this home. I have lived under other people's roofs for 26 years and none of them with my name on it. This is my home thanks to all of you who participated. This does not happen without the Chenoa fund.

with much thanks  
Kenning
