I was so thankful for your assistance. With no where to live, rent, or anything buying was my only option I had no clue what it took to purchase a home, and I was thankful for your help because I needed a home right now. No I did not have my own down payment, I had nothing other than a few credit score. I desperately need help to purchase a home for my self and kids. I thank you so much for all your help. I couldn't of done it without you. May God Bless you all.
