This program was used recently for a customer that we could not add his spouse to the loan and in order to get his growing family into a home that provided the bedrooms needed this was a way for him to get approved for this.

In review of this program and the fact that it offers your customers the ability to assist them with down payment funds when the family is able to help with gift money is great. As all down payment assistance programs in my area are few this is one that I recommend when help is needed for the customer.
