I used the down payment assistance for the down payment. It allowed me to buy a safe home to move my 88 year old Mother and myself to Michigan from Colorado and be close to family for Extra help for me in caring for her. The rent in Colorado is so out of control I had to find alternate idea, and this loan made it possible to buy a home at short notice with little cash on hand. I work for a non-profit so the help greatly appreciated since I take less in wages to have privilege of working for a mission based non profit.
