What percentage of applicants who you've offered Chenoa Fund to in the past, would NOT have been able to buy a home without this program?

0-25%

What are the main reasons you offer the Chenoa Fund program?

Ability to help more borrowers

Based on your book of business, who will be most hurt by this new mortgagee letter?

Minorities

Please provide any additional thoughts regarding why this program is important to you, and why Chenoa Fund should be allowed to continue its work

I closed two purchases for first time homebuyers in the month of April that benefited from the Chenoa Fund Program. These people were going to rent forever because they are on a fixed income and do not have the ability to save large sums of money for down payment. If it wasn't for Chenoa, those two families would have not achieved the dream of homeownership.
