Many homebuyers have good jobs, stable housing payment . But to Buy a home not alot of savings, they may have emergency money, which is important, if they use this part of their savings to buy a home then they have NO emergency money. Homeownership helps the economy in our area that was hit hard when the factories went overseas. We need the renters to be homeowners to help build the economy. And to build the importance of taking care of where you live. Cheona allows for more home buyers with reasonable guidelines that other DPA programs are much stricker on. Families need this program to help be a home owner and live in safer enviroments. Please keep this Cheona program and allow it to help FHA homebuyers.
