What percentage of applicants who you've offered Chenoa Fund to in the past, would NOT have been able to buy a home without this program?

76-100%

What are the main reasons you offer the Chenoa Fund program?

Ability to help more borrowers

Based on your book of business, who will be most hurt by this new mortgagee letter?

Minorities

Please provide any additional thoughts regarding why this program is important to you, and why Chenoa Fund should be allowed to continue its work

We need the Chenoa Fund.

If Chenoa assistance is not allowed it would hurt primarily low income families. Having this help available supports our ability to help exactly the people who need help the most.

It makes good sense to help the lower income American homebuyers realize their dream of homeownership.

Discontinuing the Chenoa program would most certainly eliminate us helping many deserving buyers who do not have the means to obtain down payment funds, but who do qualify for a FHA mortgage.
