Ability to offer assistance to people that are over the income limits for other assistance programs. a lot of the country lives with minimal savings and even if they make good money do not have the funds for a down payment. This program gives good income, good credit people the chance to buy a home.

As a licensed mortgage originator with over 15 years experience, the feedback I get from my borrowers is very important. The biggest hurdle to home ownership I see today is: Not having sufficient liquid assets to cover down payment and closing costs. I value Chenoa, and recently closed a DPA Edge loan recently.

Without this program, my borrowers would not have qualified to purchase a home.

There is great demand in my market (Central Florida) for Chenoa.

This is a great alternative to using state bond DPA mainly because the fees are a lot less so it makes it easier for people to qualify. Also what helps to qualify more people is the DTI limit and credit score requirement. It also offers on a large group of my leads the choice to either pay it back or have it forgiven.
