Hello, your assistance meant so much to the home buying process, thanks to you we have a home and my family and I are extremely grateful for your assistance. Having a home means a lot to us and a sense of security for my kids and us as parents, is really a priority and you've made this possible with your funds. We did have a partial for closing cost but your contribution made it all possible. I can't thank you enough on behalf of my family and I; ~~God~~ Bless you always and thank you for what you do in the communities it's life changing. Thank you so much. Roben D Jureca.

**Name:** Anna L

**May we share your information outside our organization?:** Yes

**Minority homebuyers will be most affected by this rule. Are you a minority?**

Yes

**If you had not had this down payment assistance, how long would it have taken you to buy a home?**

1-2 years

**Many people Chenoa Fund helps are first generation homeowners. Were your parents/guardians homeowners?**

Yes

**Please provide any additional thoughts regarding why homeownership is important to you, and why Chenoa Fund should be allowed to continue its work.**

My husband and I have worked very hard, and without the help of down payment we would not have been able to get this wonderful blessing of a house, you see I have 3 grandchildren that were my sons that died 5 years ago, and the 4th one from my living daughter, I want to be able to bring them to spend time with us from time to time, now I have enough room and enough bedrooms for them.

Thank you so much

Very grateful

Anna L & James C
