I lived in NY. my whole life.
I never thought I would be
able to own my own home.
Living pay check to pay check and
raising three girls savings takes a
back burner. Your assistance has
helped in ways I could never
imagine. I would have never
have accomplished owning a home
without you! Thank you so very
much!

Sincerely

Home ownership. Beautiful words. We had owned a home since 1984 and had to sell during the recession in 2008 due to unemployment. We were heartbroken!

The Chenoa Fund allowed us to purchase a home near family and once again put roots down in a community and a nail in the wall of the house that is OURS.

As we had been living paycheck to paycheck with the high cost of renting making up most of our expenses, our savings were non-existent. The help with our down payment made this purchase possible.

We are looking forward to holiday memories in our new home. God bless the Chenoa Fund for making this happen.
