Chenoa fund helped me purchase a stable family home for my daughter and I, after being forced to live with friends due to an ending relationship with my daughter's father. It means the world to me to be able to call a place home. I looked at other assistance options but Chenoa was the most efficient and hassle-free option. I hope other people learn about the amazing service Chenoa provides.

With the assistance of Chenoa I was able to purchase a stable home for myself and my daughter after being kicked out of our family home and having to live with friends due to a failed relationship with her father. I looked into other options but Chenoa was the most hassle-free and efficient choice to make. I hope other people learn about the great service Chenoa has to offer.
