Borrower's have the income to buy a home but they have no cash. It is a very difficult situation to not put people in homes because they have good FICO Scores, income but they have no ability to get funds for a down payment.

Please extend the Chenoa program.

This is a great program that has allowed us to help many borrower become homeowners. These are clients who wouldn't otherwise be able to purchase a home and realize the American dream of home ownership. Because of the Chenoa Fund they have been able to do so before home prices get too high and price them out of the possibility of owning a home.

This is an excellent program and needs to be continued. It especially helps young buyers as its hard for them to save the down payment and the closing costs.
