**What percentage of applicants who you've offered Chenoa Fund to in the past, would NOT have been able to buy a home without this program?**

76-100%

**What are the main reasons you offer the Chenoa Fund program?**

Ability to help more borrowers

**Based on your book of business, who will be most hurt by this new mortgagee letter?**

All Races Equally

**Please provide any additional thoughts regarding why this program is important to you, and why Chenoa Fund should be allowed to continue its work**

This program really fit a box of buyers that no other DPA program could. When the announcement was made I had 10 borrower who were immediately impacted and could no longer purchase a home with ANY other program. Those 10 families are no back to looking at renting instead of achieving the dream of homeownership they thought they had finally attained. It was devastating to them.
