What percentage of applicants who you've offered Chenoa Fund to in the past, would NOT have been able to buy a home without this program?

0-25%

What are the main reasons you offer the Chenoa Fund program?

Ability to help more borrowers

Based on your book of business, who will be most hurt by this new mortgagee letter?

All Races Equally

Please provide any additional thoughts regarding why this program is important to you, and why Chenoa Fund should be allowed to continue its work

The Chenoa program is especially great b/c there are no boundaries to where you can help a first time buyer. Most other buyer programs with assistance require you to fit the client in a box in terms of where the home has to be located and housing is so hard to find available for buyers today.
