My husband, Scott, and I have tried to buy a home for the past 16 years. Either credit, money or both were the issues. My real estate agent suggested your fund and I'm so happy he did. We love our home and are so grateful that it was due to help we received from Chenoa Fund, we would definitely recommend this to others.

Thanks so much.

Being a first time home buyer and just getting married money can be tight. We had just got married in may and wanted to be moved into a house by the end of summer. With us just getting married that would sound unrealistic. With the help of the Chenoa fund this mad it realistic. I'm so glad we found this program because without it we may of missed out on our house or even been able to afford it.
