The ability for us to have down payment assistance is a blessing. My husband and I have been working hard to pay down our debt and not acquire more debt. During this process, we are unable to put money into Savings for a down payment. We were living in a two bedroom, one bath condo with our two children. The living arrangement was not ideal and we weren't sure if we would be able to ever get a house. With the Chenoa Fund, we now have a beautiful house that we all love! Thank You!

I am replying to the questions of how your fund helped me. It was very helpful in allowing me to purchase a home once again after years of not being in a position to purchase a home again. The fund is a perfect helper allowing my family to gain a balance in life again.

And, now, I did not have a down payment amount on my own. I thank you very much for your help. It is greatly appreciated.
