Please provide your response below:

Thank you so much for the assistance I had the funds but need them for medical expenses. My husband has an illness, for which there is currently no cure. Most importantly, we were living on the 2nd floor of a rented condo & my husband could no longer climb the stairs to the unit.

We had to move quickly & your loan made all the pieces come together. Without your assistance, we would not be in our beautiful new, single story home.

This has changed our lives beyond belief and made whatever time my husband has left so very much more enjoyable. It may have even extended his life as he is so happy & under less stress in our new home.

Sincerely, Janet McKee
