May we share your information outside our organization?: Yes

What percentage of applicants who you've offered Chenoa Fund to in the past, would NOT have been able to buy a home without this program?

76-100%

What are the main reasons you offer the Chenoa Fund program?

Ability to help more borrowers

Based on your book of business, who will be most hurt by this new mortgagee letter?

Minorities

Please provide any additional thoughts regarding why this program is important to you, and why Chenoa Fund should be allowed to continue its work

My minority clients work multiple low paying jobs and support their families while paying high rent; this DPA program allows them the opportunity to the American Dream while building wealth for them and their families. Losing this program will financially hurt this segment of our USA population.
