What percentage of applicants who you've offered Chenoa Fund to in the past, would NOT have been able to buy a home without this program?

0-25%

What are the main reasons you offer the Chenoa Fund program?

Ease of use, Ability to help more borrowers

Based on your book of business, who will be most hurt by this new mortgagee letter?

All Races Equally

Please provide any additional thoughts regarding why this program is important to you, and why Chenoa Fund should be allowed to continue its work

Having Chenoa available to use in correlation with FHA allows borrowers that exceed the income limits of other 100% loan programs have the opportunity for a no down payment option as well. I believe everyone should be able to have a no money down option, but unfortunately most other no down payment programs have income limits that disqualify some very deserving borrowers.
