NAHREP 2024 Recap

We were thrilled to be a sponsor of the NAHREP conference in March 2024. Hosting our workshop, "Growing Your Market Share with Down Payment Assistance and How to Offer It to Your Clients," was a highlight of our experience. We are deeply grateful to NAHREP for the opportunity to contribute to such a dynamic event.

The chance to share knowledge and exchange ideas with fellow professionals was invaluable, and we eagerly anticipate future collaborations with NAHREP as we continue to support the growth and success of our industry.

45,000 Homebuyers Helped

In a remarkable milestone for CBC Mortgage Agency, we're proud to announce that our Chenoa Fund has successfully supported over 45,000 homebuyers in achieving their dream of homeownership. The Chenoa Fund's down payment assistance programs have empowered countless individuals to overcome financial barriers and secure quality housing. As we celebrate this significant milestone, we remain dedicated to making homeownership a reality for even more aspiring homeowners in the future.

New Additions to the Team!

We're excited to welcome three new Account Executives to the CBC Mortgage Agency team: Orca Cruz, Ted Sarko, and Cliff Evans. We look forward to their added value and contributions to the CBC Mortgage Agency team and clients.

Happy Homebuyer - Testimonial

I had been trying to purchase a home for several years. I researched everything, trying to find some kind of help and found the Chenoa Fund. They paid my down payment and that was all that I needed to purchase my home. If it were not for Chenoa Fund I do not know where I would be living right now.
