Seller Guide Revision History	98

1. | Introduction

CBC Mortgage Agency's ("CBCMA") Correspondent Seller Guide ("Seller Guide") along with the Correspondent Mortgage Loan Purchase Agreement (the "Agreement") governs the business relationship between CBCMA and the correspondent lender ("Seller"). For purposes of the Agreement and this Seller Guide, "Correspondent" and "Seller" shall have the same meaning as it pertains to the party selling mortgage loans to CBCMA. This Seller Guide, along with the Agreement sets forth the terms and conditions for selling loans to CBCMA or any trade name under which CBCMA may conduct business.

CBCMA is a subdivision of Cedar Band Corporation, a federal corporation created by the U.S. government through the Bureau of Indian Affairs for the Cedar Band of Paiutes of the Paiute Indian Tribe of Utah. The Cedar Band of Paiute Indians is a constituent band of the Paiute Indian Tribe of Utah, a federally recognized Native American tribe as contemplated by 25 U.S.C. §477 and 48 Stat. 984 under the Indian Reorganization Act of 1934 ("IRA"). The Band's council authorized CBCMA as an arm of the Band's government.

CBCMA's vision is to increase affordable and sustainable homeownership opportunities for creditworthy individuals who lack down payment funds. To accomplish this, CBCMA strives to build long-term loyalty with our business partners by dedicating ourselves to their success. CBCMA focuses on the development of market-leading, secondary mortgage loan products delivered with ease of process and outstanding customer service.

3. | Doing Business with CBC Mortgage Agency on FHA Insured Loans

CBCMA follows applicable published FHA handbooks, mortgagee letters, and announcements with some minimal overlays as outlined in this guide.

3.1 | Seller Eligibility

To be eligible to sell FHA Mortgage Loans to CBCMA, the Seller must meet the specific eligibility requirements determined by FHA.

3.1.2 Independent Auditor's Report for FHA Originators

Sellers approved by FHA to originate FHA Mortgage Loans must provide an independent auditor's report on their internal controls over compliance for HUD-assisted programs, regardless of whether or not the Seller is approved to sell or actively sell FHA mortgage loans to CBCMA. The report must include all applicable HUD letters and the computation of a HUD Net Worth Statement showing compliance with HUD's net worth requirements.

Any government loan not insured within sixty (60) days of loan closing may be subject to repurchase by the Seller.

3.2 | Maintaining Eligibility

To remain an approved correspondent in good standing, the Seller correspondent must:

- Maintain eligibility and be in full compliance with all terms and requirements detailed in the “Eligibility” section of this guide.
- Actively participate in the programs described in this guide.

- Remit any fee and payment due to CBCMA within the requested time frame.
- Maintain a Neighborhood Watch Ratio below 150%.

3.3 | Seller Renewal

To ensure approved Sellers continue to meet eligibility criteria, a renewal review will be performed periodically. The renewal review will consist of two parts:

- Updated financial and lender documentation as requested by CBCMA.
- Review of Seller’s performance and overall track record and history with CBCMA.

3.3.1 Renewal Process and Requirements

The renewal review occurs around the anniversary date of the Seller’s original approval or the last completion date of the Seller’s most recent renewal; however, CBCMA reserves the right to perform the review at any time. Sellers will be notified via Comergence of the review. The Comergence notification will include a request for any documentation necessary to complete the renewal process. Sellers must provide the necessary documentation within ninety (90) days of the request. Failure to provide the information within the required timeframe may result in suspension or termination.

3.3.2 Seller Performance

The Seller’s performance will be reviewed to ensure:

- Compliance with all terms of the Loan Purchase and Sale Agreement, and adherence to all applicable federal, state, and local legal and regulatory requirements.
- Adherence to CBCMA guidelines and loan parameters as outlined in this guide.
- Continued adherence to the most current client eligibility standards set forth by CBCMA.
- Acceptable pull through rates have been met.
- Acceptable payment of all fees and payments due to CBCMA.
- Acceptable and timely response to any inquiries by CBCMA.

3.4 | Terminated Sellers

If a Seller does not comply with the terms of their executed Loan Purchase and Sale Agreement, or the terms of the Guide and Loan Purchase and Sale Agreement, or when substantive issues have been discovered (e.g., fraud, unacceptable loan delivery performance, etc.), the relevant Seller may have their status as an approved Seller terminated. Notification of termination will be issued in writing and delivered by email service. Once terminated for cause, a Seller may not be eligible for re-approval by CBCMA.

In addition, if the reason for termination was the result of misrepresentation or any other serious concern, the Seller will be placed on the CBCMA exclusionary list. In addition, in cases of misrepresentation or any breaches in representation, warranty, or covenant, CBCMA reserves the right to pursue any and all remedies to which CBCMA may be entitled, in accordance with the Loan Purchase and Sale Agreement.

3.5 | HUD Termination

Seller who are terminated by HUD from participating in the FHA program (based on Credit Watch or otherwise) will not be permitted to participate in the CBCMA down payment assistance program (Chenoa Fund®).

3.6 | Audits

Sellers must deliver to CBCMA, within fifteen (15) business days of receipt, copies of any adverse audit report issued by a state or federal regulator, government agency, or government-sponsored entity. If disciplinary action is taken by any such regulator, agency, or enterprise agency (including any formal enforcement action, suspension, or termination of the Seller's selling or servicing rights), the correspondent must notify CBCMA within three (3) business days of such action.

3.7 | Pre-funding Quality Assurance by Seller

CBCMA requires correspondents to establish and maintain standards and procedures for quality control that comply with FHA Quality Control for Single Family Originations (4060.1 REV 2, Chapter 7) for mortgage loans with a case number assigned prior to September 14th, 2015. FHA mortgage loans with case numbers assigned on or after September 14th, 2015, must adhere to the quality control standards of FHA Single Family Housing Policy Handbook 4000.1.

Seller must provide CBCMA with a copy of their quality control plan, and their fair lending and AIR policy, prior to becoming an approved correspondent with CBCMA. Additionally, correspondents must provide updates to policies upon request thereafter.

3.7.1 Quality Control Compliance

Quality Control compliance is a cooperative effort to mitigate fraud and risk in our lending environment and is also mandated by governing agencies, such as HUD and Fannie Mae™. Correspondent cooperation is mandatory when it comes to response and delivery of post-closing documentation.

The Mortgage Loan Purchase and Sale Agreement in Section 2(e) and (f) state the following:

- ❑ Failure of Seller to Timely Deliver Mortgage Loan Documents. The Seller shall deliver to the Purchaser, or its designee, for each Mortgage Loan in the related Mortgage Loan Package a complete Mortgage File, and the related Mortgage Loan Schedule. Seller agrees to pay a penalty of \$10.00 per day per document for any document that has not been provided to Seller within 90 days from the Closing Date. Seller agrees to correct any documents within 30 days after being notified by Purchaser that any documents are unacceptable.
- ❑ Quality Control Review. Purchaser shall have the right at any time to perform a quality control review of any Mortgage Loan that it purchases under this Agreement, including, without limitation, independent credit report verifications, appraisal reports, and property inspection. If Purchaser is required by an investor to conduct or assist in a property inspection of the Mortgage Property, Seller agrees to assist the investor or Purchaser in conducting the inspection.

3.8 | Adherence to Fair Lending Standards

Correspondents must understand and acknowledge that CBCMA is fully committed to the principles of fair lending and requires each of its business partners, including correspondents, to follow similar principles. CBCMA additionally requests that correspondents and all of CBCMA's owners, officers, partners, agents, and employees are adequately trained in fair lending policies and procedures. Correspondents must hereby acknowledge that they have received and reviewed the Fair Lending Policy adopted by CBCMA and that the correspondent has taken and will continue to take action to ensure that the correspondent and each of its owners, officers, partners, agents, and employees are adequately trained in and follow generally recognized fair lending policies and procedures.

3.9 | Equal Credit Opportunity Act

The Federal Equal Credit Opportunity Act prohibits creditors from discriminating against credit applicants on the basis of race, color, religion, national origin, sex, marital status, or age (provided the applicant has the capacity to enter into a binding contract); because all or part of the applicant's income derives from any public assistance program; or because the applicant has in good faith exercised any right under the Consumer Credit Protection Act.

CBCMA requires all correspondence to be in strict compliance with the Equal Credit Opportunity Act.

3.10 | Privacy of Consumer Financial Information

All capitalized terms used in this section and not otherwise defined shall have the meanings set forth in 12 C.F.R. Part 332 ("Privacy of Consumer Financial Information"), as amended from time to time (the "Privacy Regulation"), issued pursuant to Section 504 of the Gramm-Leach-Bliley Act (15 U.S.C. § 6801 et seq.).

3.10.1 Safeguards

Seller and CBCMA will maintain safeguards and take technical, physical, and organizational precautions to ensure consumer information against destruction, loss, alteration, unauthorized access, or disclosure to third parties while in the possession or under the control of Seller, Seller Agents, CBCMA, or CBCMA agents. The objective of each such precaution will be to:

- Ensure the security and confidentiality of consumer information.

- Protect against any anticipated threats or hazards to the security or integrity of consumer information.
- Protect against unauthorized access to or use of consumer information that could result in substantial harm or inconvenience to any customer.

3.10.2 Unauthorized Access to Consumer Information

3.10.3 Notification of Unauthorized Access

Seller and CBCMA will, as soon as reasonably practicable, notify the other party of any unauthorized or attempted possession, disclosure, use, or knowledge of consumer information when one party becomes aware of it, including any material breach or potential material breach of security on a system, LAN, or telecommunications network which contains or processes consumer information.

3.10.4 Furnishing Details of Unauthorized Access

Seller and CBCMA will, as soon as reasonably practicable, furnish to the other party full details of the unauthorized or attempted possession, disclosure, use, or knowledge of consumer information and use reasonable efforts to assist the other party in investigating or preventing the recurrence of any unauthorized or attempted possession, use, or knowledge of consumer information.

3.10.5 Cooperation

Seller and CBCMA will cooperate to correct any unauthorized possession, disclosure, or use of consumer information, or any other security breaches, and will cooperate in any litigation and investigation deemed necessary to protect consumer information.

3.10.6 Recurrence

Seller and CBCMA will use all reasonable efforts to prevent a recurrence of any unauthorized possession, use, or knowledge of consumer information.

3.10.7 Confidentiality—Standard of Care

Each Party will protect all consumer information with the same degree of care as it uses to avoid unauthorized use, disclosure, publication, or dissemination of its own confidential information, but in no event less than a commercially reasonable degree of care.

3.10.8 Restricted Disclosure

Seller and CBCMA may disclose consumer information to its agents, accountants, attorneys, and affiliates or subsidiaries (respectively, each party's "Third Party Recipients") if reasonably necessary in performing its duties. Seller and CBCMA agree that they will not disclose, release, or otherwise make available to any third party any consumer information without the other party's prior written consent, provided, however, that Seller and CBCMA are each responsible for any violation of these confidentiality obligations by its Third-Party Recipients and will ensure that these individuals or entities are aware of these confidentiality obligations.

3.10.9 Consumer Privacy and Mortgage Loan Documents

Sellers must fully comply with all provisions of the Gramm-Leach-Bliley Act (GLBA), including without limitation the Safeguards Rule, which requires Correspondents to ensure the security and confidentiality of customer records and personal information, and the Consumer Financial Privacy Rule, which prohibits Seller from disclosing Nonpublic Personal Information about a consumer unless it has satisfied various notice and opt-out requirements and the consumer has not elected to opt out.

3.11 | Principal/Authorized Agent Relationship

A Principal/Authorized Agent Relationship is one in which a mortgagee with unconditional DE authority permits another DE-approved mortgagee to underwrite mortgages on its behalf. A mortgagee with unconditional DE authority (acting as the "principal") can designate another DE-approved mortgagee to act as its "authorized agent" for the purposes of underwriting mortgages. A sponsored Third-Party Originator (TPO) may not act as a principal or authorized agent.

3.11.1 Required Authorities

The authorized agent must have unconditional DE authority to underwrite the type of mortgage that is being underwritten. The mortgagee must be approved as follows:

- To originate forward mortgages:
 - The principal may have unconditional DE authority for either forward mortgages or HECM.
 - The authorized agent must have unconditional DE authority for forward mortgages.
- For this process:
 - The principal must originate the mortgage and the authorized agent must underwrite the mortgage.
 - The mortgage may close in either mortgagee's name, and either may submit the mortgage for insurance endorsement.
- With required documentation:

- ❑ The relationship must be documented in FHAC by the authorized agent.
- ❑ Additionally, the principal's FHA Lender ID must be entered in the "Originator" field on the FHA case file and in FHAC.

3.12 | Exclusionary Lists—LDP/GSA

The mortgagee must not employ or contract with any individuals or entities excluded from participation in FHA programs. In addition, a mortgage is not eligible for FHA insurance if anyone participating in the mortgage transaction is listed on HUD's LDP list (Limited Denial of Participation) or in SAM (System for Award Management) as being excluded from participation in HUD transactions. A list of parties to the transaction which must be searched can be found in FHA Handbook 4000.1.

4. | Summary of Products

4.1 | Chenoa Fund®

Chenoa Fund® down payment assistance (DPA) is offered in the form of a second mortgage. For DPA products paired with FHA first mortgages, the DPA amount is 3.5% or 5% of the lower of the purchase price or appraised value of the home. This amount is rounded up to the nearest whole dollar.

In any case, this assistance may be applied toward the borrower's minimum required investment, closing costs, or prepaid items, or any combination of the three. Following the close, our approved correspondent lenders, who offer Chenoa Fund® products on CBCMA's behalf, sell the first mortgage to CBCMA and receive a generous YSP. Correspondent lenders also get reimbursed for the second mortgage by CBCMA. CBCMA offers one unified product that is paired with an FHA-insured first mortgage.

If you would like a visual aid to compare the differences between these three products, please refer to [CBCMA's product matrix](#).

4.2 | FHA Offerings

Chenoa Fund® secondary financing assists homebuyers in meeting their minimum required investment when purchasing a home using an FHA insured mortgage for a primary residence. All buyers must sign the note and deed of trust (or mortgage, in applicable states) for the secondary financing.

Chenoa Fund® down payment assistance for FHA loans provides down payment assistance equal to 3.5% or 5% of the sales price or appraised value, whichever is less, rounded up to the nearest whole dollar. This assistance may be applied towards the borrower's minimum required investment, closing costs, or prepaid items, or any combination of the three. When secondary financing is issued, the assistance must be in second lien position.

Additional assistance (gift or secondary financing) may be combined with CBCMA's assistance programs as long as the underlying FHA-insured loan is sold to CBCMA and any CBCMA lien is in second position. The only fees chargeable to the borrower in conjunction with the secondary financing are prepaid interest, recording fees for the Deed of Trust, reasonable settlement fees, any governmental levied property tax stamps or recording taxes, a courier fee to return the signed documents to the Lender, and a MERS registration/transfer fee.

First mortgage loans must be a fixed rate and conform to standard FHA guidelines. High balance loans are acceptable, except for the 5% down payment assistance product when using the forgivable option. Eligible loan programs:

- FHA 203(b) 1–2 units, primary residence only.

When secondary financing is used, a second lien loan application is not required if disclosed appropriately in conjunction with the first lien. Otherwise, a second lien loan application must be completed and executed by the borrowers. In either instance, the respective loan application must identify the source of funds as "CBC Mortgage Agency", including accurate loan amount and repayment terms of the secondary financing.

In all cases, first mortgage loans submitted to CBCMA must conform with HUD's FHA 4000.1 handbook and be of investment quality and saleable on the secondary market. Origination partners must be fully delegated by FHA. They are expected to prudently underwrite all loans and to ensure that the file contains adequate documentation to support both the information represented in the borrower's loan application and the data elements entered into automated underwriting systems. The mortgage loan and the disbursement thereof must meet, or be exempt from, applicable state and federal laws, regulations, and other requirements pertaining to usury, fees, and expenses incurred in the making of a mortgage loan.

All secondary financing is issued in strict compliance with FHA guidelines to homebuyers qualified for an FHA-insured loan, whether tribal members or not. In addition to all FHA guidelines, this document contains requirements that apply to each loan issued. All first mortgage loans funded in conjunction with one of CBCMA's down payments must fully comply with FHA guidelines regarding Secondary Financing from a Government Entity, found in HUD Handbook 4000.1.

For all general underwriting requirements not referenced here or affected by CBCMA Agency overlays, please refer to FHA 4000.1 (found at www.hud.gov).

There is one Chenoa Fund® down payment assistance product for FHA loans.

4.2.1 Chenoa Fund Down Payment Assistance

This second mortgage product is paired with an FHA first mortgage. The product offers 3.5% or 5% down payment assistance. All FHA guidelines must be met, as well as Chenoa Fund

overlays. This product can be repayable or forgivable. Repayable down payment second loans have a 10-year term with an interest rate 1% higher than the interest rate on the first mortgage.

The forgivable option has a 30-year term, no interest rate, and no monthly payments.

Forgiveness for both the 3.5% and 5% DPA:

- ❑ Forgiven once the borrower makes thirty-six (36) **consecutive, on-time** payments on the FHA first mortgage. (The borrower must request forgiveness once forgiveness conditions are met and provide payment for processing the lien release.) This forgiveness period resets if the borrower makes a late payment on the first mortgage.

If this forgiveness condition is not met before the end of the 30-year term, then the loan may be forgiven at the borrower's request and upon the borrower's payment of processing the lien release. This loan permanently loses its forgivable status if, during the initial thirty-six (36) payments on the first mortgage, the borrower refinances the first mortgage and state law allows the second mortgage to subordinate without prior consent from CBCMA.

Please reach out to servicing@chenoafund.org to discuss subordinations. The loan must be repaid upon refinance or transfer of homeownership if forgiveness conditions are not met.

Please refer to our [daily rate sheet](#) for interest rates on FHA first mortgages.

4.3 | USDA Offerings

CBCMA is pleased to offer the Chenoa Fund USDA Rural Development (RD) 30-year program to all correspondent lenders.

The USDA loan is a zero-down mortgage program that is meant to support homeownership in rural and semi-rural areas. USDA home loans are designed to provide “low and moderate-income households” an opportunity to own a home with little to no down payment. Like its definition of “rural,” what it considers moderate income is generous. A borrower can make up to 115% of the area's median income and still qualify. The higher the city's typical income, the more an individual can earn and still be eligible.

The home must be within a USDA-eligible area.

(<https://eligibility.sc.egov.usda.gov/eligibility/welcomeAction.do?pageAction=sfp>) There are no exceptions granted.

First mortgage loans submitted to CBCMA must conform with USDA 3555-1 Technical handbook as well as the FHA 4000.1 Handbook and be of investment quality and saleable on the secondary market. Secondary Financing with the USDA program is not allowed at this time.

4.4 | Product Comparisons

If you would like a visual of the Chenoa Fund product offerings, please visit our [Product Matrix](#), which provides a summarized version of the Correspondent Lending Guide.

As already mentioned, each Chenoa Fund® product has its own requirements and guidelines, which are detailed in the rest of this section. The following definitions will help clarify what guidelines refer to which product:

- All FHA**—Applicable to Chenoa Fund® for FHA products (3.5% DPA and 5% DPA; repayable and forgivable).
- First Mortgage**—A requirement for the first mortgage that doesn't necessarily apply to the second mortgage.

4.4.1 | Program Notes and Disclaimers

All FHA: CBCMA adheres to all posted guidelines for FHA eligibility as found in the FHA Housing Handbook, 4000.1. All other posted program notes or guidelines are overlays of CBCMA and Chenoa Fund®.

4.4.2 High Balance Loans

A High balance loan is any loan that exceeds the FHFA loan limit (typically the standard conforming loan limit, **not** the individual county conforming loan limit). In AK and HI the FHFA limit is higher than in the continental US and is the threshold used to determine whether or not a loan is High Balance.

High balance loans are acceptable with the following Chenoa Fund® DPA Products:

- Chenoa Fund® for FHA (repayable assistance; 3.5% or 5% DPA).
- Chenoa Fund® for FHA (forgivable assistance; 3.5% DPA).

High balance loans are not acceptable for Chenoa Fund® down payment assistance for the Chenoa Fund® DPA for FHA product with forgivable assistance in an amount of 5%.

4.5 | First Mortgage

All FHA Programs: The FHA mortgage paired with Chenoa Fund® down payment assistance must be a 25-year or a 30-year fixed rate term with full amortization only. **The first mortgage must be purchased by CBCMA.**

The mortgage type must be FHA 203 (b) 1–2 units, primary residence only. The following property types are allowed: SFR, PUD, townhome, condo, attached, detached, modular, and manufactured housing. (Note that manufactured homes must meet the requirements outlined in Section 5 [Manufactured Housing] of this guide.)

4.5.1 DPA Funding/Reimbursement

First Mortgage: Lenders fund the down payment assistance at closing and will be reimbursed by CBCMA upon purchase of the first mortgage under the terms of the Funding Obligation Letter issued at loan registration.

4.5.2 Loan Purpose

First Mortgage: Purchase only.

4.6 | Borrower Income Limits

All FHA: No income limitations at this time.

4.6.1 AMI Calculation – Not required at this time.

4.7 | Occupancy and Property Type

All FHA: One of the borrowers must occupy the property as their primary residence. All other FHA guidelines apply. SFR, PUD, townhome, condo, attached, detached, modular, and manufactured allowed.

4.8 | First-time Homebuyer

All FHA: If the Borrower has a previous rental history and would like it to be considered in the AUS for TOTAL Scorecard Feedback Results, there are some specific requirements to be addressed but a previous rental history is not required (see 4.12 for clarification).

Per FHA Mortgagee Letter 2022-17.

4.9 | Minimum Credit Score

CBCMA follows industry standards (middle of three, lower of two) for determining which credit score to use for all Chenoa Fund® credit score requirements.

All FHA: 600 credit score. Use the lowest middle credit score on the loan. CBCMA requires that all borrowers have at least one credit score.

4.10 | DTI Requirements

DTI overlays are determined by the qualifying credit scores on the loan.

All FHA:

- Credit Score 600+: DTI per AUS approval.

4.11 | Payment Shock Requirements

Loans with AUS Approval will not have payment shock calculations applied.

4.12 | Present Housing Expense & Verification of Housing Payment

All FHA:

- Rental payment history may assist first time homebuyers (per FHA Mortgagee Letter 2022-17).
- Renting from Family Member: May provide a copy of the executed lease agreement and 12 months canceled checks or bank statements.
- Borrowers with “0” rental payment: Letter of Explanation may be required.

4.13.1 Loan Application Input for the Current Housing Payment

All FHA: All applications must contain a “present” housing payment unless the borrower is currently not making a housing payment. The amount “\$0.00” should be entered into the “present” housing payment field on the loan application if the borrower is not making a housing payment. The “present” housing payment field may only be left blank if your LOS does not allow an entry of \$0.00.

4.13 | Homebuyer Education

All FHA: Required for borrowers with qualifying credit scores from 600–639. This course must be taken prior to closing and within the last year.

Borrowers with a credit score of 600–619 are required to take a counseling course through Money Management International. This course is accessible [here](#) and is paid for by CBCMA (for borrowers in this credit score band). Borrowers can take the course after their loan is registered in the CBCMA online lender portal and they receive a CBCMA loan number.

Borrowers with a credit score of 620–639 may use any HUD-approved counseling course (you can access a list of HUD-approved courses [here](#); in addition, the Framework[®] and Homeview[®] are allowed as well). CBCMA will pay the course fee for those borrowers who choose to take the above Money Management International course if they are in this credit score band.

All borrowers with scores less than 640 are required to take a homebuyer education course. Any borrowers on your transaction with a qualifying credit score equal to or greater than 640 are not required to take a course.

4.14 | Acceptable Sources of Funds for Down Payment and Closing Costs

All FHA: Gifts, grants, and CBCMA second mortgages. Any eligible loan may have more than one subordinate lien (i.e., third lien). Sweat equity is acceptable in accordance with FHA guidelines.

4.15 | Manufactured Homes

All FHA: Permitted. For more information, see Section 5 (Manufactured Housing) or our [Manufactured Housing Matrix](#).

4.16 | Non-occupant Borrowers

All FHA: Allowed (family members or relatives only, as defined by FHA).

4.17 | Loan Amounts (Minimum and Maximum)

All FHA Programs: Per FHA guidelines. Varies by county. CBCMA has no overlays for maximum or minimum loan amounts.

4.18 | Maximum LTV/CLTV and Subordinate Financing

All FHA:

- LTV to 90–96.5%

DPA financing may be 3.5% or 5% of the lower of the purchase price or appraised value. No max CLTV; per FHA guidelines, additional outside financing may be acceptable with unlimited CLTV (conditions may apply). Borrowers may increase their minimum required investment (down payment) by putting down additional funds above and beyond the assistance received through the Chenoa Fund® program as long as the loan-to-value ratio does not go below 90%.

Borrowers may use other forms of down payment assistance in conjunction with the assistance received from Chenoa Fund®, even if the additional assistance creates additional liens on the property. In cases where secondary financing is received from Chenoa Fund®, the Chenoa Fund® lien must be in a second lien position and the first mortgage must be sold to CBCMA. The CLTV is only limited by FHA guidelines.

4.19 | Ineligible Borrowers

CBCMA will rely on our correspondent partners to document lawful residency in accordance with FHA guidance. We will enforce our reps/warrants policy to the extent that FHA audits any loan and finds that a borrower does not meet these definitions of lawful residency.

All FHA: Any borrower that does not meet FHA's definition of a lawful, legal resident of the United States. For borrower residency or VISA classification acceptance, FHA guidelines can be found in part below.

U.S. Citizenship is not required for mortgage eligibility.

The mortgagee must determine the residency status of the borrower based on information provided on the mortgage application and other applicable documentation. In no case is a Social Security card sufficient to prove immigration or work status.

A borrower with lawful permanent resident alien status may be eligible for FHA-insured financing provided the borrower satisfies the same requirements, terms, and conditions as those for U.S. citizens.

The mortgage file must include evidence of the permanent residency and indicate that the borrower is a lawful permanent resident alien on the URLA. The U.S. Citizenship and Immigration Services (USCIS) within the Department of Homeland Security provides evidence of lawful, permanent residency status.

A borrower who is a “non-permanent resident alien” may be eligible for FHA-insured financing provided:

- the property will be the borrower’s principal residence;
- the borrower has a valid SSN, except for those employed by the World Bank, a foreign embassy, or an equivalent employer identified by HUD;
- the borrower is eligible to work in the United States, as evidenced by the Employment Authorization Document (EAD) issued by the USCIS; and
- the borrower satisfies the same requirements, terms, and conditions as those for U.S. citizens.

The EAD is required to substantiate work status. If the EAD will expire within one year and a prior history of residency status renewals exists, the mortgagee may assume that continuation will be granted. If there are no prior renewals, the mortgagee must determine the likelihood of renewal based on information from the USCIS.

A borrower residing in the U.S. by virtue of refugee or asylee status granted by the USCIS is automatically eligible to work in this country. The EAD is not required, but documentation substantiating the refugee or asylee status must be obtained.

Non-U.S. citizens without lawful residency in the U.S. are not eligible for FHA-insured Mortgages.

4.20 | Private Mortgage Insurance (MI) Coverage

4.21 | Guidance on Fees

4.21.1 Fees to CBCMA

All Programs: \$399 Admin Fee.

No lender fees allowed on secondary financing. The only fees chargeable to the borrower in conjunction with the secondary financing are prepaid interest, recording fees for the Deed CBCMA (09/08/2022) (32) Correspondent Seller Guide Ver. 12.9 For business and professional use only. Not for consumer distribution. This document is not an advertisement as defined in 12 CFR 226.2(a)(2). All products are subject to credit and property approval. Other restrictions and limitations may apply. NMLS #1186381, CBCMA. Subject to change without notice. All rights reserved. Equal Housing Opportunity. of Trust, reasonable settlement fees, a courier fee to return the signed documents to the Lender, and a MERS registration/transfer fee. The admin fee is charged to the Seller and is reflected on the Purchase Advice as a deduction from the total loan sale proceeds. This fee is a secondary market cost to the Seller and is not part of the primary transaction, therefore it is not appropriate to charge this fee in section B or C of the LE/CD. Any addition to the lender's fees to the borrower to offset this charge must never reflect as a charge payable to CBCMA and must always be listed in Section A, paid to the Seller (for example, included in the Origination Charges or as a separate line-item charge). Any fees added to Section A must be included in the TRID points & fees test. Fees on the LE and CD should never reflect as payable to CBCMA, or Chenoa Fund, regardless of the section. Regarding discount points, CBCMA follows FHA Handbook 4000.1 and CFPB guidelines for TRID, at no time will CBCMA purchase a loan that exceeds 3% QM points and fees test.

4.21.2 Seller Credits

CBCMA allows seller credits as long as they meet FHA/HUD Handbook 4000.1 requirements.

Keep in mind that converting seller credits to seller-paid fees must be done prior to or at closing. Seller credits used to offset points and fees must be disclosed on the final CD; they cannot be corrected after closing and must be reflected on the purchase contract prior to closing.

The Interested Parties' contribution of up to 6% of the sales price would include temporary interest rate buydowns. The buydown is not to be paid for by the buyer or from the down payment assistance.

4.21.3 Fees to Originator

All Programs: CBC Mortgage Agency does not purchase loans that exceed the QM 3% points and fees test.

4.22 | AUS

All FHA: DU®, Loan Prospector, or TOTAL Scorecard.

4.23 | Max Units

All FHA: Max two units. Three to four units ineligible. Accessory Dwelling Units are allowed per FHA guidelines.

4.24 | Manual Underwriting

Effective October 16, 2023, this section on FHA manual underwriting is SUSPENDED and not available currently.

All FHA: Loans submitted with Refer/Eligible AUS findings that have been manually underwritten according to FHA guidelines are acceptable with the exception of manufactured home properties, provided that CBCMA overlays are also adhered to. All Manual Underwrites will need to be screened prior to close with an exception.

Follow eligibility requirements for manually underwritten loans according to FHA, and then apply CBCMA overlays for complete adherence to our program requirements.

4.25 | Additional Properties Owned

All FHA: Allowed, but a Letter of Explanation is required to explain the motivation to keep current residence while purchasing new. An acceptable reason must be documented for the move, along with the intent behind retaining the current property. As a reminder, FHA guidelines regarding owner occupancy requirements must be met.

4.26 | Appraisal Overlays

All FHA Programs: CBCMA does not purchase loans with a Condition rating of C5.

4.27 | General Overlays

4.27.1 Cash Back to Borrower

All FHA: CBCMA follows FHA/HUD 4000.1 requirements for cash back to borrower.

4.27.2 Minimum Borrower Contribution

All FHA: \$0. All funds needed to complete the transaction can come from a CBCMA-approved second lien.

4.27.3 HPML, High Cost, & QM Compliance

All FHA: HPML transactions are allowed. Requires all loans to be purchased to meet FHA 4000.1 guidelines. Additionally, we require that loans that are to be purchased by CBCMA to meet TRID and Quality Mortgage Rules (QM) and Guidelines. High Cost loans are not permitted. All first mortgages must adhere to QM/ATR compliance. Mortgage loans exceeding the 3% max points and fees test are not permitted unless cures are applied. Bona fide discount points must adhere to FHA & CFPB guidelines and any or all state regulations. Bona fide discount points do not count toward the 3% max points and fees test.

4.27.4 Rate Sheet Compliance

All FHA: The terminology of “discount points” has been clarified with regards to discussions surrounding the price paid by Seller for rates charged on our rate sheets. Please see the Correspondent Seller Guide, sections 4.21.1 (Fees to CBCMA) and 6.8 (Important Notice Regarding CBCMA Investor Delivery Fee and Clarification of Rate Sheets), for a complete explanation and correct compliance interpretation.

For loans where discount points are present, Sellers may be required to include the Seller’s published rate sheet in the purchase package in order to allow CBCMA to determine bona fide discount points from discount points that must be counted toward the 3% max points and fees calculation (non-bona fide discount points). This rate sheet must be from the day the loan was locked.

Bonafide and Non-bonafide fees

Bona-fide discount points exist when your company publishes a rate sheet that has, after application of all LLPAs, a par rate or that pays a premium. If a borrower selects a lower rate than that ‘par or better’ rate, then the discount point charged to get that lower rate would be a bona-fide discount point. CBCMA allows discount points per FHA & CFPB guidelines.

Non-bonafide discount points exist when no ‘par or better’ rate exists on your company’s published rate sheet. If the highest rate available results in a fee to the borrower, this fee is a non-bona-fide discount point. CBCMA allows non-bona-fide discount points, but they must be counted towards the maximum 3% points and fees rule.

This rate sheet must be from the day the loan was locked.

4.27.5 Required Documents

All FHA: Secondary financing requires the delivery of a complete second lien file to include an application, LE, CD, and all other state- and federal-required disclosures.

Secondary financing requires an initial, signed URLA; TRID compliant disclosures; and any state-required disclosures. In addition, we prefer to receive a final, signed URLA if information in the initial URLA changes.

The first mortgage file must contain a copy of the note, the deed of trust/mortgage, and a Funding Obligation Letter dated prior to the loan closing date.

CBCMA does not normally allow reverse bailees. In the event that an exception is granted, the notes for both mortgages using a reverse bailee must be delivered to CBCMA within three (3) days after the reverse bailee is received.

4.27.6 Initial & Final URLA

All FHA: We do require both an initial and a final URLA, per agency guidelines.

We require either the initial URLA or the final URLA to contain the signature of the originating MLO. This is not a requirement of just the final. One should be signed, but both are not required.

Either the initial URLA, or the final URLA, must also be completed with the present housing expense section filled out. No exceptions.

4.27.7 Seller's CD

All FHA: A copy of the CD provided to the seller at closing is required on all transactions.

4.27.8 Intent to Proceed

All FHA: Documented Intent to Proceed is required on all transactions for all borrowers.

4.27.9 Gaps in Employment

All FHA: FHA guidelines require all loan applications to contain a complete two-year history of employment on the 1003. CBCMA may require an LOX for files with less than two (2) years of employment history. The start date for this two-year history is the application date for the 1003.

4.27.10 Self-employed Borrower Business Verification

All FHA: CBCMA requires that self-employed borrowers have their business verified as open and operating within thirty (30) calendar days prior to the Note date. The Seller must provide one of the following to confirm that the business is open and operating:

- Evidence of current work (executed contracts or signed invoices that indicate the business is operating on the day the Seller verifies self-employment).
- Seller certification that the business is open and operating (Seller confirmed through a phone call or other means).
- Business website demonstrating activity supporting current business operations (timely appointments for estimates or service can be scheduled).

4.27.11 Mortgage Credit Certificates (MCC)

All FHA: Allowed. No longer required to be pre-approved prior to submission. All MCCs must be calculated according to FHA guidelines by adding the credit as income, not a payment reduction.

4.27.12 Mortgage Insurance Certificate (MIC)

All FHA: Upfront MIP must be paid prior to purchase.

MICs are not required to be delivered prior to purchase, but must be delivered to CBCMA within sixty (60) days of the note date.

This will help us better align with industry standards for mitigating risk and preventing secondary delivery delays. Fees will be applied if delivery dates are not met. For more information, contact finaldocs@chenoafund.org.

4.27.13 Flood Certificate

All Programs (First Mortgage): Flood certifications must include a life of loan certification. Flood policies must be in effect at closing.

All FHA: If flood insurance is required, CBCMA will follow FHA guidelines and accept either Private Flood Insurance or National Flood Insurance.

Please note that a property is not eligible for FHA insurance if a residential building and related improvements to the property are located within SFHA Zone A (a Special Flood Zone Area) of Zone V (a coastal area) and insurance under the National Flood Insurance Program (NFIP) is not available in the community.

A property is not eligible for FHA insurance if the improvements are or are proposed to be located within a Coastal Barrier Resource System (CBRS).

For more information, please refer to Flood Insurance [FHA 4000.1](#).

4.27.14 Disaster Certificates

All FHA: In counties that have been deemed disaster areas by FEMA (Federal Emergency Management Agency),

CBCMA's Disaster Policy applies to any of the following:

- FEMA-declared disaster areas eligible for Individual Assistance

CBCMA does not have the responsibility to provide notification to the seller of disaster areas and will not purchase a loan if the home is damaged. If, at any time after loan purchase, CBCMA or a subsequent investor determines that the subject property was damaged and not in fully marketable condition at time of sale, the loan may be subject to repurchase.

CBCMA may require 1004D disaster certificate, with exterior photos required for both.

4.27.15 Vouchers

All FHA: Where relevant Agency guidelines allow, CBCMA will accept Section 8 vouchers.

4.27.16 Exceptions

All FHA: Exceptions may be considered on a case-by-case basis by our Exceptions Team. Exceptions may be granted but our Exceptions Team to Chenoa Fund® overlays, but never Agency guidelines.

Exception requests should be submitted while registering a loan on the [client site](#); instructions on how to do this are available in our [Training Series](#) under the “Miscellaneous” category. For loans already registered, email scenariodesk@chenoafund.org and include the following in a secure email:

- CBCMA Loan Number.
- A detailed description of the exception and compensating factors.
- The following documents:
 - AUS.
 - 1st mortgage 1003/URLA (completed with Lender information).
 - 92900-LT (Loan Transmittal) or 1008.
 - Credit Report.
 - If using Retirement/401K Assets for Reserves** – *Please provide ALL pages of the most recent Retirement Asset Statement.*
 - VA Loan Analysis/Completed Residual Income Worksheet - (While the loan is not a VA loan, this document is used to determine risk in our exception review process. You may find an Excel sheet to help you complete a Residual Income test on the [Documents and Tools](#) page of our website).
 - VOR or Rent Free LOE signed by both parties, when applicable.
 - For 2-unit properties - provide 1007 if applicable.

Exception requests will not be considered for loans where the qualifying credit score is less than 620 and there is no present housing payment. Loans must be registered in our lender portal for an exception request to be considered valid; responses to exceptions not registered in our lender portal are considered hypothetical until the loan has been registered and the exception recorded.

4.28 | State-specific Guidance

4.28.1 Alaska and South Carolina

All FHA: In Alaska and South Carolina the minimum second mortgage loan amount is \$5,000. Therefore, for purchase prices below \$166,666.67 with 3% assistance, \$143,800 with 3.5% assistance, or \$100,000 with 5% assistance, the DPA amount will be \$5,000 in those states.

4.28.2 North Carolina

All FHA: In North Carolina, per state law, origination fees are capped at 1% for loans under \$300,000. For loans equal to or above \$300,000, lenders may exceed the 1.5% origination fee cap if there are no fees charged in the origination section of the CD (Section A) other than the origination fee. Loans must comply with QM guidelines (i.e. the 3% points and fees test).

4.28.3 New York

All FHA: Chenoa Fund® is not offered in the state of New York.

4.29 | USDA 30

CBCMA is pleased to offer the Chenoa Fund USDA RD 30-year program to all Sellers.

The USDA loan is a zero-down mortgage program that is meant to support homeownership in rural and semi-rural areas. USDA home loans are designed to provide “low and moderate-income households” an opportunity to own a home with little to no down payment.

Like its definition of “rural,” what it considers moderate income is generous. A borrower can make up to 115% of the area’s median income and still qualify. The higher the city’s typical income, the more an individual can earn and still be eligible.

The home must be within a USDA-eligible area.

(<https://eligibility.sc.egov.usda.gov/eligibility/welcomeAction.do?pageAction=sfp>) There are no exceptions granted.

First mortgage loans submitted to CBCMA must conform with USDA 3555-1 Technical handbook as well as the FHA 4000.1 Handbook and be of investment quality and saleable on the secondary market. Secondary Financing with the USDA program is not allowed at this time.

5. | Manufactured Housing

A manufactured home (MH) is a home that is built in a factory, is transportable in one or more sections, is designed and constructed to the Federal Manufactured Home Construction and Safety Standards (FMHCSS) and is so labeled regarding conformance with the FMHCSS.

5.1 | FHA Requirements

Manufactured homes are eligible for FHA financing, provided all the following requirements are met:

- Home was built on or after June 15, 1976, as evidenced by the HUD Data Plate, the appraisal, or the title policy.
- Home must have been built to the FMHCSS as evidenced by having a HUD Certification.

- Label/Tag is attached to the MH, or, if the HUD Tag is missing, a HUD Tag Letter of Verification from the Institute for Building Technology and Safety (IBTS); see HUD Certification Label/Tag for additional details.
- Home must be permanently affixed to the subject property in accordance with FHA requirements.
- Subject must be legally classified by the state as real property prior to loan purchase.
- Subject is a single-family dwelling.
- Loan is underwritten in accordance with the requirements of the applicable Loan Program Guide.
- Mortgage must cover both the home and the land.

5.2 | CBC Mortgage Agency Additional Guidance

Unless otherwise specified here as an overlay, CBCMA adheres to all FHA guidelines for manufactured housing requirements. For more detailed underwriting clarifications, see the FHA housing handbook. Manufactured homes are only eligible for Chenoa Fund® products paired with FHA first mortgages.

New construction is allowed for manufactured housing. The home title conversion to real property must be initiated prior to loan purchase. In Non-certificate of Title States, the house must be recognized as real property prior to loan purchase.

If not mentioned in this chapter, follow FHA guidelines for manufactured housing requirements and Chenoa Fund overlays relevant to specific products.

5.2.1 Minimum Required Credit Score

600 credit score minimum. CBCMA requires that all borrowers have at least one credit score.

5.2.2 DTI Requirements

DTI overlays are determined by the qualifying credit scores on the loan.

All FHA:

- Credit score 600+: DTI per AUS approval.

5.2.3 Payment Shock Requirements

Loans with AUS Approval will not have payment shock calculations applied.

5.2.4 Appraisal Requirements

Fannie Mae™ 1004C, Manufactured Home Appraisal Report, is required. We also need Form 1004D, Appraisal Update and/or Completion Report, if this is needed to document repair completion.

5.2.5 Ineligible Features and Properties

The following features are ineligible:

- Building on own land.
- Construction to Perm.
- Easements and deed restrictions that affect marketability must be reviewed and approved by CBCMA to be eligible for purchase, unless the easement or deed restriction expires upon foreclosure (requests for review should be submitted to scenariodesk@chenoafund.org); however, deed restrictions allowed per FHA 4000.1 are permissible.
- Loans with resale deed restrictions.
- Proposed or Under Construction loans.

The following properties are ineligible:

- 2–4 unit properties.
- Cooperative.
- Manufactured homes in “Parks” not held in fee simple ownership, commonly known as “Mobile Home Parks”.
- Properties with resale restrictions.
- Site Manufactured Housing Condominiums.
- A home that has been previously installed or occupied at any other site.

5.2.6 Occupancy

Primary residence only.

5.2.7 FHA MIC

Required for all loans prior to purchase.

5.2.8 HUD Certification Label/Tag

The Federal Manufactured Home Construction and Safety Standards require that manufactured homes have a HUD Certification Label/Tag (also known as a HUD Seal or HUD Label) affixed to the exterior of the property. The HUD Tag is an aluminum plate, approximately 2 in. by 4 in,

that is permanently attached to each transportable section of the manufactured home in a manner that renders it difficult to remove without defacing it. The label number is etched or stamped with a 3-letter designation that identifies the production inspection agency. Each HUD Tag must be marked with a 6-digit number furnished by a label supplier. Tag numbers are not required to be sequential on a multi-section manufactured home.

The HUD Tag must be located at the taillight end of each transportable section of the manufactured home approximately one foot up from the floor and one foot in from the roadside, or as near that location on a permanent part of the exterior of the manufactured home unit as practicable. The roadside is the right side of the manufactured home when one views the manufactured home from the tow bar end of the manufactured home.

The appraisal report must include the appraiser's certification that the HUD Tag is affixed to the exterior or that the HUD Tag is missing. If the HUD Tag is missing, the appraiser should either reject the property or notify the lender and condition the appraisal for documentation verifying HUD labels were issued for the manufactured home. For a fee, a HUD Tag Letter of Verification can be obtained from the Institute for Building Technology and Safety (IBTS) and must be included in the file submitted to HUD.

The following website provides details regarding the cost and procedures for obtaining a HUD Tag Letter of Verification: <http://www.ibts.org/services/services-in-the-public-good/cert-label-verification.html>

Either the HUD tag or the HUD Tag Letter of Verification must be included in the loan file.

5.2.9 Title Requirements

The title policy must evidence the following:

- The manufactured home is attached to the land.
- The manufactured home is classified and taxed as real estate.
- The title to the manufactured home has been surrendered or purged in accordance with the applicable jurisdictional requirements.

5.2.10 States' Approaches to Titling

The following lists provide instruction on how different states handle the certificate of title for a manufactured home, in addition to providing instruction on how the Seller needs to handle such titles.

Certificate of Title "Surrender" States:

- Certificate of title is issued upon purchase of manufactured home, but is surrendered after the home is affixed to the foundation and becomes real property.

- Ensure that the certificate of title is surrendered following the state’s procedures.

Certificate of Title “No Surrender” States:

- Certificate of title is issued and remains outstanding (it is not surrendered or canceled).
- Ensure the MH lien (and no other lien) is indicated on the certificate of title.
- Retain certificate of title in the loan file.
- Ensure that home and land have the same ownership.

Non-certificate of Title States:

- No certificate of title issued.
- Retain in loan file evidence that no certificate of title was issued.
- Ensure that MH is recognized as real property.

A manufactured home must be covered by a standard real estate fee simple title insurance policy. Endorsement (ALTA 7, 7.1, or 7.2, or equivalent endorsement) is required as insurance that the manufactured home is part of real property that secures the loan. One clear title at closing is required that states the manufactured home and the land are classified as real estate. An affidavit of affixation, a recorded, signed, and written statement acknowledging that the manufactured home is attached and classified as real property securing the mortgage, is required.

5.2.11 Structural Engineering Report (Engineer’s Certification on Foundation Compliance Report)

A Structural Engineering Report is required—see HUD Manual for details.

The following is an excerpt from the HUD manual: “For Manufactured Housing, the appraisal must be conditioned upon the certification of an engineer or architect that the foundation is in compliance with the permanent Foundations Guide for Manufactured Housing.”

Note that all Sellers are fully delegated and are subject to reps/warrants. Lenders in pre-purchase review will be expected to meet all FHA guidelines before CBCMA purchases the loan.

6. | Origination Through Closing

6.1 | General Mortgage Loan Document Standards

Closing documents for Agency Mortgage Loan Programs must be the most current Fannie Mae™, Freddie Mac, or FHA forms, as applicable. In all cases, Sellers are responsible for using the most current mortgage loan documents and ensuring that all documents, including, without limitation, any document supplied by CBCMA, conform to all applicable state and federal laws and requirements.

6.2 | Document Expiration Dates

Documents used in the origination and underwriting of a mortgage may not be more than one hundred and twenty (120) days old at the disbursement date (including new construction).

Documents whose validity for underwriting purposes are not affected by the passage of time, such as divorce decrees or tax returns, may be more than one hundred and twenty (120) days old at the disbursement date (the disbursement date for refinance transactions). Appraisal expiration date is (180) days from Effective Date of Appraisal.

For purposes of counting days for periods provided in this document, a “day” is a calendar day (not a business day), and day one (1) is the day after the effective or issue date of the document, whichever is later.

6.3 | Handling of Documents

Lenders must not accept or use documents relating to the employment, income, assets, or credit of borrowers that have been handled by, or transmitted from or through, the equipment of unknown parties or interested parties. Lenders may not accept or use any third-party verifications that have been handled by, or transmitted from or through, any interested party or the borrower.

6.3.1 Information Sent to the Lender Electronically

The lender must authenticate all documents received electronically by examining the source identifiers (e.g., the fax banner header or the sender’s email address) or contacting the source of the document by telephone to verify the document’s validity. The lender must document the name and telephone number of the individual with whom the lender verified the validity of the document.

6.3.2 Information Obtained via Internet

The lender must authenticate documents obtained from an internet website and examine portions of printouts downloaded from the internet, including the Uniform Resource Locator (URL) address, as well as the date and time the documents were printed. The lender must visit the URL or the main website listed in the URL if the page is password protected to verify the website exists and print out evidence documenting the lender’s visit to the URL and website.

Documentation obtained through the internet must contain the same information as would be found in an original hard copy of the document.

6.4 | Allowable Mortgage Parameters

Follow all guidance as stated below in addition to the published HUD Handbook 4000.1., all relevant Mortgagee Letters, and Announcements.

A “Rebuttable Presumption Qualified Mortgage” has an APR greater than the APOR + 115 basis points (bps) + the ongoing mortgage insurance premium (MIP) rate. Legally, lenders that offer these loans are presumed to have determined that the borrower met the ability-to-repay standard by ensuring they comply with published FHA qualifying guidelines. These loans are acceptable to CBCMA.

6.5 | Interest Credit Option

Loans disbursed on or before the seventh (7th) day of the current month may use an interest credit option.

6.6 | Mortgage Loan Document Corrections

Corrections to the note and mortgages (deeds) should be made by drawing a single line through the incorrect information. The Seller must then type the correct information in the appropriate location on the document. All borrower(s) must initial the change. The use of correction tape, correction fluid, erasures, or lift-off is not permitted.

6.7 | Closing in Compliance with Mortgage Approval

The lender must instruct the settlement agent to close the mortgage in the same manner in which it was underwritten and approved.

The lender must ensure that the conditions listed on form HUD-92900-A/Addendum or form HUD-92800.5B, or both, are satisfied.

6.8 | Closing in the Mortgagee’s Name

A mortgage may close in the name of the mortgagee or the sponsoring mortgagee (the principal or authorized agent). TPOs that are not FHA-approved mortgagees may not close in their own names or perform any functions in FHA Connection (FHAC).

The mortgagee must use the forms or language, or both, prescribed by FHA in the legal documents used for closing the mortgage.

6.9 | Data Integrity

For origination, underwriting, endorsement, and insuring the mortgagee must validate all data elements (including loan-level data) submitted through the Automated Underwriting System (AUS), Technology Open to Approved Lenders (TOTAL) Mortgage Scorecard, and FHA Connection (FHAC), and validate that documentation exists in the loan file to support all data used to underwrite the mortgage.

6.10 | Projected Escrow (Taxes and Insurance)

The lender must establish the escrow account in accordance with the regulatory requirements in 24 CFR § 203.550 and RESPA.

6.10.1 Monthly Escrow Obligations

The lender must collect a monthly amount from the borrower that will enable the lender to pay all escrow obligations in accordance with 24 CFR § 203.23. The escrow account must be sufficient to meet the following obligations when they become due:

- Hazard insurance premiums
- Real estate taxes
- Mortgage Insurance Premiums (MIP)
- Special assessments
- Flood insurance premiums, if applicable
- Ground rents, if applicable
- Any item that would create liens on the property positioned ahead of the FHA-insured mortgage, other than condominium or Homeowners' Association (HOA) fees.

6.10.2 Estimating Real Estate Taxes

The mortgagee must use accurate estimates of monthly tax escrows when calculating the total mortgage payment.

In new construction transactions, property tax estimates for calculating the monthly payment must be based on the appraised land value plus improvements, along with the county tax/levy rate. In some cases, this can be done by using the manual calculation formula from the applicable taxing authorities. Alternatively, the title company may provide the estimate at the time preliminary title is ordered. Documentation from the taxing authorities must be on file to support the estimated monthly tax used for payment calculation.

6.11 | Closing Costs and Fees

The lender must ensure that all fees charged to the borrower comply with all applicable federal, state, and local laws and disclosure requirements. The lender is not permitted to use closing costs to help the borrower meet the Minimum Required Investment (MRI).

Fees on the LE and CD should *never* reflect as payable to CBC Mortgage Agency, CBCMA, or Chenoa Fund, regardless of the section.

6.11.1 Collecting Customary and Reasonable Fees

The lender may charge the borrower reasonable and customary fees that do not exceed the actual cost of the service provided. The mortgagee must ensure that the aggregate charges do not

violate FHA's 3% points and fees rule (the QM 3% Points and Fees test). This rule is outlined in the Buckley Sandler memo found on CBCMA's [Documents and Tools](#) webpage.

6.11.2 Disbursement Date

The "disbursement date" refers to the date the proceeds of the mortgage are made available to the borrower.

The disbursement date must occur before the expiration of the FHA-issued Firm Commitment, or DE approval, and credit documents.

6.11.3 Per Diem Interest and Interest Credits

The mortgagee may collect per diem interest from the disbursement date to the date amortization begins. Alternatively, the mortgagee may begin amortization up to seven (7) days prior to the disbursement date and provide a per diem interest credit. Any per diem interest credit may not be used to meet the Borrower's MRI. Per diem interest must be computed using a factor of 1/365th of the annual rate.

6.12 | Real Estate Taxes

All tax amounts that are due and payable at closing must be paid at closing. If taxes are due and the tax bill has not been released, the Settlement Statement must show monies held for later payment by the title company/closing attorney. Documentation must be included in the loan file when submitted for purchase.

Tax amounts that are due within thirty (30) days of the Purchase Date must be paid by the Seller with evidence of the tax payment provided to CBCMA.

6.12.1 Existing Construction

CBCMA recommends using the actual assessed property tax figure per the county's assessment/tax rolls; however, if property taxes will increase or decrease significantly from the current assessment after purchase (e.g., the former owner had a senior citizen tax exemption), it is recommended that an estimated value be used that will result in the most likely payment for the borrower. The property tax value used for qualifying the borrower should be consistent throughout the file, including the URLA, AUS, CD, IEADS, and First Payment Letter.

6.12.2 New Construction

CBCMA recommends using a property tax estimate based on multiplying the purchase price (less any homeowner's exemptions) by the mill rates (the tax rates per the county website) that will be in effect in order to determine the payment; this will result in the least amount of payment variation once the property is assessed by the taxing authority. This property tax value (monthly tax payment) used for qualifying the borrower should be consistent throughout the file, including the URLA, AUS, CD, IEADS, and First Payment Letter.

We do understand that, due to local tax collection practices, property taxes may increase significantly during the borrower's first year of homeownership, resulting in the need to prorate

taxes at closing based on a much lower figure than what will need to be included in the borrower's monthly payment. We also understand that, in calculating closing figures, the unassessed value may be used to lower the borrower's cash to close and eliminate the collection of excessive tax escrow. In these circumstances, based on most document preparation services' limitations, a First Payment Letter that does not match the URLA, CD, and initial IEADS may be used to reflect the most accurate payment to the borrower; however, the First Payment Letter must match the AUS qualification figures. In addition, a new IEADS reflecting the accurate collection and disbursements of tax payments should be included in the file along with an LOE from the lender.

6.13 | Mortgage and Note

“Mortgage” refers to any form of security instrument that is commonly used in a jurisdiction in connection with a loan secured by a one- to four-family residential property, such as a deed of trust or security deed. “Note” refers to any form of credit instrument commonly used in a jurisdiction to evidence a mortgage.

The mortgagee must develop or obtain a separate mortgage and note that conforms generally to the Freddie Mac and Fannie Mae™ forms in both form and content, but that includes the specific modification required by FHA set forth in the applicable Model Note and Mortgage.

The mortgagee must ensure that the mortgage and note comply with all applicable state and local requirements for creating a recordable and enforceable mortgage and an enforceable note. CBCMA does not normally allow reverse bailees. In the event that an exception is granted, the notes for both mortgages using a reverse bailee must be delivered to CBCMA within three (3) days after the reverse bailee is received.

6.13.1 Disbursement of Mortgage Proceeds

The mortgagee must verify that the mortgage proceeds are disbursed in the proper amount to the borrower and the seller, or, in the case of a refinance transaction, to the debt holder.

6.13.2 FHA Underwriting & Eligibility Standards

At closing, the mortgage proceeds disbursed by the mortgagee and the cash from the borrower must equal the total acquisition cost or refinance cost.

The mortgagee must obtain the final settlement statement or a similar legal document from the settlement agent.

6.14 | Principal Reductions/Principal Curtailments

A principal reduction/curtailment refers to the immediate reduction of the original principal balance without a modification to the original terms of the loan ([for a sample form, click the link](#))

[and go to the dropdown for CBC Process and Documents](#)). Principal reductions/curtailments are permitted on a limited basis in accordance with Agency guidelines to correct one of the following scenarios:

- Eliminate any excess credit for rate (premium pricing).
- Eliminate any excess cash back to the Borrower.

6.15 | Reviewing Limited Denial Participation and SAM Exclusion Lists

The mortgagee must check the HUD Limited Denial of Participation (LDP) list to confirm the borrower's eligibility to participate in an FHA-insured mortgage transaction. The mortgagee must check the System for Award Management (SAM) and must follow appropriate procedures defined by that system to confirm eligibility for participation.

6.16 | Minimum Required Repairs & Escrow Holdbacks

Minimum required repairs are established by the FHA Roster Appraiser, the FHA DE Lender, or both. CBCMA will accept escrow holdbacks. Exception requests for escrow holdbacks will be considered for weather-related repairs only—that is, repairs that cannot be completed prior to close due to inclement weather.

- Must be weather-related.
- Original appraisal must be completed “subject-to” the repairs required.
- Repairs must be required by the appraiser or lender in order to bring the property up to FHA minimum property standards.
- Contractor must provide an invoice with an estimate of work certifying that the work cannot be completed prior to disbursement (due to inclement weather conditions).
 - Inclement weather conditions are generally considered to be between November and March.
- All repairs should be completed within six (6) months of the Note date.
- The amount of money held in escrow for repairs should be 1.5 times the amount of the invoice plus a sufficient amount required for the FHA appraiser's final inspection.
- For FHA loans: the Mortgagee must complete the “Escrow Closeout Certification” screen, in FHA Connection, within thirty (30) days of escrow closing/completion.
 - Prior to Purchase: The lender must provide the executed HUD form 92300, Mortgagee's Assurance of Completion, to indicate the repair escrow has been established.
 - Post Purchase: The lender must provide HUD form 92051, Compliance Inspection Report, to evidence that repairs have been satisfactorily completed.
- All other FHA guidelines must be adhered to.
- Acceptable evidence of completion is provided by the borrower for minor repair or improvement items.

- Note Energy Mortgages (NEM) are not allowed at this time.

It is preferred that exception requests be submitted through the [client site](#) while registering a loan. When this isn't an option, email the Chenoa Fund® Scenario Desk (scenariodesk@chenoafund.org).

6.16.1 Completion Date

Improvements or repairs must be completed within six (6) months of the Note date.

Please note: it is the responsibility of the Seller to ensure that all repairs are completed.

Notification from CBCMA or the transferring investor is not guaranteed.

6.17 | Documentation—General Requirements

CBCMA requires that each loan conforms to and complies with all applicable HUD and FHA underwriting, lending, selling, and servicing requirements, as well as all Ginnie Mae requirements for the inclusion of the mortgaged loan in a Ginnie Mae MBS pool. In addition to all FHA credit qualifying and documentation requirements, the loan must also include:

- An electronic fraud detection report covering standard areas of quality control, i.e., borrower validation, social security validation, property information, and MERS verification.
- Compliance testing for adherence to QM/ATR, APR, and Points and Fees for the first mortgage.
- The copy of the deed of trust, stamped as “True and Certified” by the settlement agent
- A completed tax information sheet.
- The 4506-C address, set to match the last filed tax transcripts.
- Verbal verification of employment within ten (10) calendar days of the Note date, per agency guidelines, and an independently obtained phone number or address for employer with source documented.

- A Life of Loan flood certificate.
- Closing Protection Letter (CPL).
- Final settlement ALTA statement, signed by the settlement agent.
- 1-0 or 2-1 Buydown Escrow Agreement.
- 1-0 or 2-1 Subsidy Payment Schedule.

Additionally, the loan must be fully eligible for FHA insurance, and it must already be insured by HUD or will be insured by HUD within sixty (60) days of the purchase date for CBCMA.

6.17.1 Documentation—Further Requirements

- Completed Chenoa Escrow Holdback Lender Acknowledgment.
- Closing Disclosure evidencing escrow of funds at disbursement.
- Final inspection/documentation of completion of repairs, as required:
 - HUD form 92051—line 14 checked and signed by the Fee Inspector, DE Staff Inspector, Appraiser, or HUD Inspector.

6.18 | Hazard Insurance

A hazard insurance policy that meets the following specifications must be provided by the applicant at closing:

- For purchase transactions, CBCMA requires hazard insurance policy with a paid receipt for one (1) year or an invoice and sufficient funds collected to pay the invoice.
- Even if a policy is issued for one (1) year, CBCMA requires proof that the premium for the year is paid in full.
 - Proof may be in the form of a receipt signed by an authorized individual of the insurance company; otherwise, the premium is to be paid at closing and indicated on the HUD-1 Settlement Statement.
 - The same premium as shown on the policy is reflected on either the paid receipt or HUD-1.
- If, on the date of purchase of the mortgage loan by CBCMA, there are less than thirty (30) days to policy expiration, CBCMA requires a thirty-day binder or evidence that the policy has been renewed for one year.
- Prior to purchase of the first mortgage and reimbursement of the second mortgage, the loss payee clause must be in the lender’s name and include the verbiage “Its Successors and/or Assigns ATIMA.” (ISAOA/ATIMA is an acceptable abbreviation of this verbiage).

- Alternatively, Sellers may use CBCMA’s loss payee clause on the second mortgage only. If this option is used, the second mortgage loss payee clause should be:

CBC Mortgage Agency
912 W. Baxter Drive
Suite 150
South Jordan, UT 84095

CBCMA requires the Homeowner Declarations page show an effective coverage date no later than the Note date, along with proof of premium paid.

The applicant has the right to select the insurance carrier, provided the carrier has at least one of the following ratings at the time the mortgage loan was closed:

- “B” or better general policyholder’s rating, or a “3” or better financial performance index rating, from A.M. Best’s Insurance Reports; refer to <http://www.ambest.com> for additional information.
- “A” or better rating in Demotech Inc.’s Hazard Insurance Financial Stability Ratings; refer to <http://www.demotech.com> for additional information.
- “BBB” qualified solvency ratio, or “BBB” or better claims-paying ability rating, in Standard and Poor’s Ratings Group Insurer Solvency Review; refer to www.standardandpoors.com for additional information.

Prior to closing, the Seller must verify that the hazard insurance rating specifications have been met. The following alternative hazard insurance coverage is also acceptable:

- In the event that the issuer of the hazard insurance policy does not meet the above-described rating specifications, the hazard insurance policy may, nevertheless, be acceptable if the insurer is reinsured by a company that meets either:
 - One of the A.M. Best general policy-holder ratings.
 - Standard and Poor’s Ratings Group claim-paying ability ratings.
- Both insurance companies must execute an Assumption of Liability Agreement (Fannie Mae™ Form 858) that provides for 100% reinsurance of the primary insurer’s policy and a ninety-day written notice of termination of the reinsurance arrangement; the Assumption of Liability Agreement must be attached to the hazard insurance policy.

6.18.1 1–4 Family Residences

1–4 family residences must protect against loss or damage from fire and other hazards covered by the standard extended coverage endorsement. CBCMA will not accept hazard insurance policies that limit or exclude from coverage (in whole or in part) windstorm damages, hurricane damages, hail damages, or any other perils that normally are included under an extended

coverage endorsement. A lender must advise the borrowers that they may not obtain hazard insurance policies that include such limitations or exclusions—unless they are able to obtain a separate policy or endorsement from another commercial insurer that provides adequate coverage for the limited or excluded peril, or from an insurance pool that the state has established to cover the limitations or exclusions.

The insurance coverage must be of the type that provides for claims to be settled on a current replacement cost basis. For land and improvements to support the use of replacement cost coverage, CBCMA does not require separate appraisal valuations. Insurance must be in an amount and form acceptable to the applicable Agency guidelines.

For FHA mortgage loans with case numbers assigned prior to November 14th, 2015, see the guidelines in HUD ML 2009-46 B, Condominium Approval Process for Single Family Housing, Section VI, Insurance Requirements, or a more recent HUD issuance, if applicable. FHA mortgage loans with case numbers assigned on or after November 14th, 2015, must be underwritten to FHA Single Family Housing Policy Handbook 4000.1.

6.18.2 Condominiums

In general, the following are required for all condominium hazard insurance policies:

- The PUD, condominium homeowners' association, or fee simple landowner must maintain commercial general liability (CGL) insurance covering all common areas, common elements, commercial spaces, and public ways in the PUD or condominium.
- The current master condo insurance policy must provide at least one million (\$1,000,000) liability coverage.
- The "Severability of Interest" clause or specific endorsement must preclude the insurer's denial of a unit owner's negligence claim.
- An acceptable fidelity bond is required on condominium projects with more than twenty (20) units.
- The policy should provide for at least ten (10) days' written notice to the homeowners' association before the insurer can cancel or substantially modify it; for condo projects, an additional, similar notice must be given to each holder of a 1st mortgage or share loan on an individual unit in the project.
- 100% of the insurable replacement cost coverage for the complete project and unit (interior and exterior of the condominium unit).

The project and unit (walls-in), the H06 policy, must both be insured. If the master condo insurance policy does not cover the unit (walls-in) then see the following H06 requirements:

- The walls-in (H06) policy must state that it provides coverage for the insurable value of the improvements and betterments;

- the walls-in (H06) policy must provide the breakdown, or “cost estimator,” from the insurance company on how they determined the amount of coverage provided; or
- the borrower must obtain a statement from the insurance company that this is the maximum the company will insure and that this is sufficient to replace the improvements and betterments.

6.18.3 PUDs

Individual insurance policies are required on planned unit development (PUD) units unless the PUD unit is covered under the project’s blanket policy and the PUD project’s constituent documents allow the individual PUD units to be included in the project’s blanket policy. In addition, the homeowners’ association must maintain a policy that covers the common areas, fixtures, equipment, personal property, and supplies of the project.

PUD hazard insurance must be in an amount and form acceptable to the applicable Agency guidelines. If the individual units are covered by insurance purchased by their respective owners, the PUD homeowners’ association or the fee simple landowner must maintain "all risk" coverage for common areas and property for 100% of their insurable value and provide for loss or damage settlement on a replacement cost basis. The association or fee simple landowner must also obtain any additional coverage commonly required by private mortgage investors for developments similar in construction, location, and use, including the following (where applicable and available):

- Agreed amount
- Demolition cost
- Increased cost of construction
- Boiler and machinery

6.18.4 Amount of Hazard Insurance

For first lien home mortgages on 1–4 unit properties, hazard insurance coverage must be equal to the lesser of:

- 100% of the insurable value of the improvements (replacement cost), as established by the property insurer.
- The guaranteed replacement cost endorsement, which provides that the insurer agrees to replace the insurable property, regardless of the cost or the replacement cost endorsement.
- The unpaid principal balance of the mortgage, as long as it equals the minimum amount (80% of the insurable value of the improvements) required to compensate for damage or loss calculated on a replacement cost basis or
- Other structures (**do not** add the insurance for “other structures” with the amount of coverage on the dwelling to meet the minimum required amount).

Note: Due to the revised agency appraisal form, which eliminated the site value box, the estimated site value can be submitted with a notation in the “Comments” section of the appraisal or an appraisal addendum signed by the appraiser.

If the hazard insurance is not equal to at least one of the above minimum coverage amounts, then additional hazard coverage that meets the minimum coverage amounts must be obtained before the mortgage loan can be purchased.

If an extended replacement cost is noted on the policy, the percentage of extended replacement costs must be detailed.

If the estimated site value, opinion site value, or an appraisal addendum signed by the appraiser is not available on the appraisal, the documents below are acceptable in the following order:

1. Insurance value form from the insurance agency.
2. Third party vendor documents (Marshall and Swift [example: Data Quick] may have been used by the vendor).
3. (If the site value is not noted) The tax assessor value from the title policy/commitment or tax assessment form may be used for the calculation.

6.18.5 Hazard Insurance Deductible

Deductible for hazard policies must conform to HUD guidelines.

6.19 | Title Policies and Insurance Commitments

All title insurance policies must ensure that the title is generally acceptable and that the mortgage constitutes a lien of the required priority on a fee simple or leasehold estate in the property. The title policy should list any and all other liens as subordinate to the first lien.

The title policy must be written on an ALTA (American Land Title Association) form. In states where ALTA forms of coverage are not used, the state-standard or short form that provides the same coverage as the ALTA form may be used, provided that the coverage does not impair lien protection to all applicable liens for purchase.

The title policy should be dated as effective (no earlier, or no later) at the date of closing. Lien protection must begin at the time of consummation and extend through the life of the loan.

Please note: title insurance is not a requirement for CBCMA second liens, although it may be applied at the lender’s discretion. All title insurance requirements are in line with FHA guidelines for lien insurance protection for first liens used in connection with the purchase transaction.

6.19.1 Adding Persons to Title and Sales Contracts

CBCMA allows persons to be added to the contract and title that are not on the loan, such as non-purchasing spouses, per Agency and state guidelines.

7. | Document Packages

7.1 | Registration—Procedural Overview

When registering a loan, access CBCMA’s Client Site through the following link: [CBCMA Client Site](#)

- Select “Client Portal Login” at the top center of the webpage.
- Enter login credentials.
- Select “Register New Loan” from the four options.

7.2 | Lock Policy

A complete closed loan package must be uploaded through CBCMA’s loan portal on or prior to the interest rate lock expiration date in order to meet the lock requirements. Locks that expire on the date of upload or within six (6) days after upload will be extended for seven (7) days from the loan upload date to allow for purchase loan conditions to be released and submitted by the Seller. After a complete loan image is uploaded, the loan package will be reviewed and, if required, purchase conditions will be issued. We will give a (7) calendar day(s) extension before extension fees begin from the latter of the lock expiration or conditions out date. Extension fees will accrue at .025 per day (.175 per week). All extension fees will be withheld from the purchase advice.

Locks that are canceled or that expire and remain expired for thirty (30) days or more are eligible for relock at current-day pricing. If a loan is locked and then canceled (or expired), and then a relock request is received within thirty (30) days of the original lock, the loan pricing will be the worse-case of the current day pricing for the remaining lock period of the original lock less a .375 reinstatement fee and the lock period will be the remaining time on the original lock.

The lock is associated with the property address. If a borrower chooses to purchase a different property than was selected at the time of lock, the lock will need to be canceled and a new lock request submitted for the new property.

7.2.1 Renegotiation Policy:

- Per loan limit: one renegotiation per loan.
- The interest rate must improve by at least 0.125%.
- If the rate drops by 0.125%, the lender receives current market pricing less 37.5 bps.
- If the rate drops by 0.25% or more, the lender receives current market pricing less 25bps.
- The original commitment period and expiration date cannot move and must remain the same.

- The renegotiation price is based on the rate sheet and LLPA's that are in effect when the request is received less any prior accumulated extension, relock or other fees.

7.3 | Delivery

The mortgage loan must be delivered to CBCMA in purchasable condition on or before the lock expiration date. Loans must be current at the time of purchase. Loans in forbearance are not eligible for purchase. For loans purchased after the 15th of the month, a current pay history is required prior to purchase.

A delivered loan is considered in purchasable form if it meets the requirements of the following:

- Product and program parameters.
- Federal, state, and local laws and regulations.
- Industry standards, the insuring requirements of FHA, and secondary market investor guidelines.
- The requirements of this guide, including any updates, and the Seller Agreement (including in loan documentation).
- CBCMA specific documentation and CBCMA Loan Delivery Checklist.

A closed mortgage loan submitted in non-purchasable form is considered incomplete and may be subject to relocking or repricing for a lock extension. Refer to the lock policy section of this guide for pricing details.

Uploaded documents will be reviewed by CBCMA's due diligence team in a timely manner after receipt, and the Seller will be notified of any issues which impact CBCMA's ability to purchase the mortgage loan through the posting of conditions on the client site.

Deficiencies may include, but are not limited to, any issues that impair CBCMA's ability to service or sell the mortgage loan. All Deficiencies must be cleared within 90 days of closing to ensure the sale of the loan.

7.4 | Same Name Affidavits

Signature/Name Affidavit is required for every borrower on the note.

7.5 | Use of Power of Attorney at Closing

Closing documents may be executed with a Specific Power of Attorney (POA) that complies with all applicable laws and agency's policies, provided the following conditions are met:

- POA must be specific to the transaction and subject property (general POAs are not acceptable).
- POA must have been in full force and effect on the date of closing.
- The designated individual with Power of Attorney may not have a direct or indirect interest in the transaction (this exclusion does not apply to any of the borrowers on the transaction).
- Grantor's (Borrower's) name appears exactly as it was stated to appear on all closing documents; if notarized outside of the United States, it must be notarized at a U.S. Embassy or a military installation.
- The Recorder's stamp appears, if previously recorded; the POA must be dated no more than 120 days prior to, and must be in full force and effect on, the closing date.
- The attorney-in-fact must have executed all closing documents at settlement.
- Title must insure the Seller is in 1st lien position without exception to the POA.
- POA document must be recorded immediately prior to the closing documents.

CBCMA requires a copy of the POA included with the closing package if a POA is being used by the borrower or seller.

7.5.1 Signature requirements for a POA

There are no exceptions to these policies, for signatures or initials. Sign the borrower's name, with the POA signature underneath, with the following verbiage: "as attorney in fact" (i.e., John Doe by Mary Doe, as attorney in fact). In the case of initials (no exceptions), initial the borrower's initials, with the POA initials underneath, with the following verbiage: "as attorney in fact" (i.e., JD by MD, as attorney in fact).

7.6 | Electronic Signatures

CBCMA will accept the use of electronic signatures on certain documents when the signing is conducted in accordance with the outlined performance standards and as permitted by applicable law, secondary market investors, and the performance standards required by HUD.

The following guidance is not intended as legal or regulatory advice. The Seller is responsible for obtaining professional advice, as needed, to ensure that mortgage loans submitted to CBCMA are in compliance.

A Seller's electronic signature technology must comply with all the requirements of the E-SIGN Act, including those relating to disclosures, consent, signature, presentation, delivery, and retention, and any state law applicable to the transaction. The E-SIGN Act defines electronic signatures as "any electronic sound, symbol, or process attached to or logically associated with a contract or record and executed or adopted by a person with the intent to sign the record." (Esign 106(5)). Sellers should follow this definition of electronic signatures, with the exception that CBCMA will not accept an electronic signature that is solely voice or audio.

The Seller's process for electronically signing authorized documents must ensure the document is presented to the signatory before an electronic signature is obtained. The electronic signature must be attached to, or logically associated with, the documents that have been electronically signed.

In each mortgage loan file using electronic signatures, the Seller should collect and retain appropriate evidence:

- The borrower's consent for the use of any electronic signature or disclosure.
- The signer's certification that the document is true, accurate, and correct at the time signed.
- The intent to sign the record and the intent to use an electronic signature.
- The attribution of the electronic signature to that signer.

Electronic signatures are acceptable on initial application documents. However, the following specific closing documentation will require wet signatures that are not electronic: all Promissory Notes and all notarized documents.

7.6.1 Representations and Warranties

In addition to the representations and warranties listed in the agreement and elsewhere in this guide, and when selling a mortgage loan with electronic signatures to CBCMA, the Seller must make the following representations and warranties with respect to any and all documents or record delivered to CBCMA which bear an electronic signature:

- All electronic signatures comply with applicable law, including the standards and requirements of the Electronic Signatures in Global and National Commerce Act (E-Sign) and, if applicable, the Uniform Electronic Transaction Act (UETA) adopted by the state in which the electronic signature is initiated.
- Any and all documents or records bearing an electronic signature are fully transferable or assignable by CBCMA to any third party.
- Any and all documents or records bearing an electronic signature are fully enforceable by such third party to whom CBCMA transferred or assigned such document or record.
- Any and all documents or records bearing an electronic signature have been duly and properly executed and attested (if applicable) in full compliance with any and all applicable laws and regulations, including, but not limited to, any applicable CBCMA, Fannie Mae™, Freddie Mac, FHA, or VA requirements.
- Each document or record that bears an electronic signature will be accepted by Fannie Mae™, Freddie Mac, FHA, or VA, as applicable, in accordance with the requirements of such agency or investor.

7.6.2 Hybrid Closings

Hybrid closings are allowed. Provided that all promissory Notes and notarized documents are wet signed.

7.7 | The Loan Estimate (“LE”)

For closed-end credit transactions secured by real property (other than exempt transactions), the Seller is required to provide the consumer with good-faith estimates of credit costs and transaction terms in the LE.

The Seller is responsible for delivering the initial LE or placing it in the mail no later than the third general business day after receiving the six (6) items that define an application.

The initial LE must also be delivered or placed in the mail at least seven (7) specific business days before consummation of the transaction. The regulation allows the consumer to modify or waive this seven-business-day waiting period after receiving the LE if the consumer has a bona fide personal financial emergency that necessitates consummating the credit transaction before the end of the waiting period.

CBCMA will not purchase a loan where any modification or waiver of a mandatory waiting period has been granted.

7.7.1 Good Faith Requirement and Variance

The Seller is required to act in good faith and exercise due diligence in obtaining information necessary to complete the LE. However, there may be some information that is unknown (i.e., not reasonably available to the Seller at the time the LE is made). In these instances, the Seller may use estimates even though it knows that more precise information will be available by the point of consummation.

Whether or not the LE was made in good faith is determined by calculating the difference between the estimated charges originally provided in the LE and the actual charges paid by or imposed on the consumer in the CD. Generally, if the charges paid by or imposed on the consumer exceed the amount originally disclosed on the LE, it is not in good faith, regardless of whether the Seller later discovers a technical error, miscalculation, or underestimation of a charge.

However, an LE is considered to be in good faith if the Seller charges the consumer less than the amount disclosed on the LE, without regard to any variance limitations.

7.7.2 Variance Limitations

The Seller may charge the consumer more than the amount disclosed in the LE if the amount charged falls within the explicit variance thresholds and the estimate is not for a “zero tolerance” charge where variations are never permitted. The Seller may also charge the consumer more than the amount charged in the original LE when a valid change in circumstance occurs, requiring a revised LE.

If the amounts paid by the consumer at disbursement exceed the amounts disclosed on the LE beyond the applicable variance threshold, the Seller must refund the excess to the consumer no later than sixty (60) calendar days after consummation.

7.7.3 Revisions and Corrections to Loan Estimates

Creditors may only use revised or corrected Loan Estimates when specific requirements are met. Creditors generally may not issue revisions to Loan Estimates because they later discover technical errors, miscalculations, or underestimations of charges. Creditors are permitted to issue revised Loan Estimates only in certain situations, such as when changed circumstances result in increased charges. (§ 1026.19(e)(3)(iv))

The Seller is generally bound by the LE (provided within three [3] general business days of the application) and may not issue revisions to LEs because it later discovers technical errors, miscalculations, or underestimations of charges.

The Seller is permitted to provide to the consumer revised LEs (and use them to compare estimated amounts to amounts actually charged for purposes of determining good faith) only in certain specific circumstances:

- Changed circumstances that occur after the LE is provided to the consumer that cause estimated settlement charges to increase more than the aggregate 10% variance.
- The consumer is ineligible for an estimated charge previously disclosed because a changed circumstance, as defined above, affected the consumer's creditworthiness or the value of the security for the loan.
- The consumer requests revisions to the credit terms or settlement charges that cause an estimated charge to increase.
- Any points or Seller credits change because the interest rate was not locked when the initial LE was prepared and a subsequent rate lock has occurred.
- The consumer indicates intent to proceed after the closing cost expiration date and time disclosed on the LE (found on page one under "Rate Lock").
- On new construction loan transactions where the creditor reasonably expects that settlement will occur more than sixty (60) days after the LE is provided, the creditor may provide a revised LE, as long as this fact was clearly and conspicuously disclosed to the consumer on the LE originally provided. If no such statement is provided, the creditor may not issue revised disclosures, unless otherwise provided for above.

7.7.4 Timing for Revisions to the Loan Estimate

Generally, the Seller must deliver or place in the mail the revised LE to the consumer no later than three (3) general business days after receiving information sufficient to establish that a valid change in circumstance has occurred.

The Seller may not provide a revised LE on or after the date it provides the CD.

The Seller must ensure that the consumer receives the revised LE no later than four (4) specific business days prior to consummation. If the Seller is mailing the revised LE and relying upon the three-business-day mailbox rule, the Seller would need to place in the mail the revised LE no later than seven (7) specific business days before consummation of the transaction to allow three (3) business days for receipt.

Regulation allows the consumer to waive or modify the seven-business-day waiting period after receiving the Loan Estimate if the extension of credit is needed to meet a bona fide personal financial emergency. CBCMA will not purchase a loan where any modification or waiver of a mandatory waiting period has been granted.

7.8 | The CBC Mortgage Agency Second Lien Closing Disclosure

The CFPB expects that typical transactions with a simultaneous second lien loan will involve two separate transactions. Regardless of if the transaction involves the same creditor providing the first loan and the simultaneous second loan, the two loans are treated as separate transactions, with the proceeds from the simultaneous second included in the Closing Disclosure for the primary transaction, where the seller is disclosed pursuant to Section 38(j)(2)(vi), per Comment 38(j)(2)(vi)-2.

CBCMA's second lien must have separate disclosures and should contain the information associated with the CBCMA second mortgage loan (including, but not limited to, the loan amount, fees charged, and payment schedule). CBCMA relies on its Seller to ensure the second mortgage Loan Estimate and Closing Disclosure are compliant with the TILA-RESPA Integrated Disclosure Rule. In addition, CBCMA requires that Sellers preparing the second lien CD comply with CBCMA's applicable investor, insurer, and guarantor requirements for the second lien CD. To this end, we are providing the following guidance that our investors have found to be acceptable.

7.8.1 Properly Identifying Down Payment Assistance Funds on the First CD

On the first mortgage CD, the down payment assistance funds from CBCMA must be identified as coming from CBCMA (**not** Chenoa Fund®) and reflected as such in Section L, "Paid Already by Or on Behalf of Borrower at Closing," or under "Other Credits," using Lines 4 through 7.

Where the number of characters does not permit fully spelling out "CBCMA 2nd Lien" to identify the source of funds (second lien), the following abbreviations may also be used: (1) CBC Mortgage 2nd Lien, or (2) CBCMA 2nd Lien. Under no circumstances should the source of funds be identified as "Chenoa."

7.8.2 Showing Closing Costs for Secondary Financing on the First CD

On the first CD, the total closing costs associated with the second mortgage may be reflected in "Section H" (of the first CD), "Other Costs," and identified as "Closing Costs for Secondary Financing" if those fees are not being paid by the borrower or "netted" from the second mortgage proceeds.

Either net proceeds or the principal balance from the second lien (from CBCMA) may be shown in the “Amount” Column; however, if net proceeds are shown, the principal balance must also be shown in parentheses in the description field.

Note: if net proceeds are shown in the “Amount” column in Section L, or under “Other Credits” on the first CD, the closing costs associated with the second mortgage CD will not be reflected in Section H of the first CD and it will be critical for the lender to confirm that the borrower has sufficient funds invested to meet the FHA minimum required investment.

7.9 | CD and Settlement Documentation

The following documents are required to be delivered to CBCMA:

- Initial Borrower Closing Disclosure.
- If multiple CDs:
 - “Final”-marked Borrower’s Closing Disclosure.
 - “Final”-marked Seller’s Closing Disclosure.
- Settlement agent disbursement sheet.
- Fully completed and executed Settlement Agent Certification.
- Closing Disclosure provided to the seller at closing/Seller’s Transaction.

CBCMA requires the borrower’s or borrowers’ signatures on the Closing Disclosure provided at closing. CBCMA also requires a copy of the CD provided to the seller at closing, but it does not have to be signed. The Final Closing Disclosure must be marked “Final” to clearly distinguish it from other closing disclosures.

7.9.1 Preparation of the Closing Disclosure for a Seller

For a purchase transaction, the settlement agent is required to provide the seller with the CD reflecting the actual terms of the seller’s transaction. The settlement agent may comply with this requirement by providing the seller with a copy of the same CD provided to the consumer (buyer) if it also contains information relating to the seller’s transaction. CBCMA does not require the seller’s signature on the CD containing both buyer and seller transactions, even if a separate seller-signed CD is not provided, but CBCMA will still require a copy of the CD provided to the seller at closing.

Alternatively, the settlement agent may provide the seller with a separate disclosure including only the information applicable to the seller’s transaction on the CD. If the seller’s disclosure is provided in a separate document, the settlement agent will provide the Seller with a copy of the CD provided to the seller; CBCMA will require a copy of this document, but it does not have to be signed. The settlement agent will provide the seller its copy of the CD no later than the day of consummation.

7.9.2 Delivery of the Closing Disclosure

The CD must be received by the consumer at least three (3) specific business days prior to consummation.

For transactions involving multiple consumers, the Seller must ensure that the CD is provided separately to each consumer with the right to rescind under TILA, either directly or via the settlement agent, as appropriate. For transactions that are not rescindable, the Seller must provide the CD to the consumer with primary liability for the mortgage transaction.

The Seller must ensure delivery of the appropriate disclosures, in accordance with the timing requirements for each, by one or more of the following methods and in accordance with the rule, as necessitated for compliance:

- In person (or via courier).
- Via mailing the disclosures, which may include overnight delivery.
- Via electronic delivery methods subject to compliance with consumer consent and other applicable provisions of the Electronic Signatures in Global and National Commerce Act (15 U.S.C. 7001 et seq.); note that final closing documents, including the final CD and settlement certification, may not be electronically delivered and signed. Wet signatures are required in all cases for these documents.

Under the timing requirements of the rule, if a creditor provides appropriate disclosures by mail, electronic delivery, or courier, the creditor may presume that the consumer receives the disclosure three (3) specific business days after they are mailed, transmitted, or deposited with the courier service (for purposes of determining when the three-business-day waiting period begins).

This is commonly referred to as the three-business-day mailbox rule. When the Seller has evidence that the consumer received the disclosures earlier than three (3) specific business days after mailing or delivery, the Seller may rely on that evidence under the rule and consider the disclosures to be received on that date.

If the CD is provided in person, it is considered received by the consumer on the day it is provided.

The regulation allows the consumer to waive or modify the three-business-day waiting period if an extension of credit is needed to meet a bona fide personal financial emergency.

7.9.3 Revised Closing Disclosures

Once a CD is delivered or mailed to the consumer, consummation cannot occur until three (3) specific business days after the disclosure is considered received by the consumer. According to the TRID rule, there are three (3) categories of changes that require a corrected CD containing all changed terms:

- ❑ Changes that occur before consummation that will require a new three-specific-business-day waiting period:
 - The disclosed APR becomes inaccurate by more than $\frac{1}{8}$ of 1% above or below the previously disclosed APR, and a revised CD with the correct APR and all other associated terms that have changed needs to be provided.
 - The loan product previously disclosed becomes inaccurate and a revised CD with the correct loan product and all other associated terms that have been changed needs to be provided.
 - A prepayment penalty is added to the transaction and a revised CD with the prepayment penalty provisions and all other associated terms that have changed needs to be provided (note: CBCMA down payment assistance transactions may not contain prepayment penalties).
- ❑ Changes that occur before consummation that do not require a new three-specific-business-day waiting period (i.e., any changes not covered above):
 - The revised CD will be provided at or before consummation; however, the consumer has the right to inspect the CD during the business day before consummation. If a consumer asks to inspect the CD the business day before consummation, the CD presented to the consumer will reflect any adjustments to the costs or terms that are known to the Seller at the time the consumer inspects the document.
- ❑ Changes that occur after consummation.

7.10 | Disclosures Required Post-consummation

The Seller must make the following disclosures clearly and conspicuously in writing, in a form that the consumer may keep.

If, during the thirty-day period following consummation, an event in connection with the settlement of the transaction occurs that causes the CD to become inaccurate, and such inaccuracy results in a change to an amount actually paid by the consumer, the Seller must deliver or place in the mail a corrected CD no later than thirty (30) days after receiving information sufficient to establish that such an event has occurred. An example of such an event might be a recording fee or a transfer tax that differs from what was disclosed, or the discovery of an unpaid assessment at the time of document recording.

If the CD contains non-numeric clerical errors, the Seller must deliver or mail a corrected CD no later than sixty (60) days after consummation.

In the case where a refund of excessive fees, paid by the consumer, are necessary, related to good faith analysis, the refund amount must be provided to the consumer no later than sixty (60) calendar days after consummation. In addition, the Seller must deliver or mail the corrected CD reflecting such refund no later than sixty (60) days after consummation.

All other TRID disclosures must be provided to CBCMA with a reliable form of evidence of delivery. If the three-day mail rule is truncated for delivery of the closing disclosure to allow for an early closing, evidence of the date of receipt is required.

7.10.1 The CD is Acceptable If:

- It has no more than \$100 understated tolerance.
- The Finance Charge is understated by no more than \$100 or the APR is understated no more than .125%; however, both can be overstated.

7.10.2 The CD is not Acceptable If:

- It is understated by more than the \$100 tolerance.
- The Finance Charge is understated by more than \$100 or the APR is understated by more than .125%.

7.11 | Loan Cancellation Policy

Seller and CBCMA can choose to cancel loans if necessary. Cancelled loans fall into two categories: loans cancelled before closing, and loans cancelled after closing. They are both handled differently.

7.11.1 Loans Cancelled Before Closing

Loans cancelled before closing are not assessed a fee or penalized in any way. Borrowers must re-apply if they wish to move forward after cancelling their application.

7.11.2 Loans Cancelled After Closing

Loans delivered after closing that do not meet CBCMA guidelines will need to be cancelled. A cancellation agreement releasing CBCMA from the obligation to reimburse will need to be signed by an officer of the originating lender's company. Upon execution of the release of the funding obligation, the originating lender becomes the second lien holder.

The lender may request CBCMA to acquire the second mortgage regardless of the release from the obligation to reimburse. In this instance, the lender should contact CBCMA's Lock Desk to obtain pricing for the acquisition of the second mortgage. Acquisition pricing is subject to current market conditions and a \$399 administration fee.

8. | Clearing for Purchase

8.1 | Purchase Review Status

Seller can access the status of their loans through CBCMA's client site, <http://chenoafund.org>.

Loans uploaded to the client site are reviewed by CBCMA's due diligence team concurrently with its partner investors, to whom loans are ultimately sold.

Once due diligence reviews are completed by CBCMA and the investor, Sellers will be notified via email. All conditions can be viewed on the client site. Sellers have the ability to directly communicate with CBCMA's due diligence reviewers to obtain clarification or dispute specific conditions using the escalation process on the client site.

Each loan is assigned a purchase clearing specialist from CBCMA's purchase clearing team. The purchase clearing team's primary function at CBCMA is to assist and expedite the purchase of the Seller's loans. The purchase clearing team has the ability to waive or clear most conditions; in addition, they are a critical conduit and act as personal liaison to the Seller for due diligence and investor communications.

The purchase clearing specialist is a critical conduit and acts as a personal liaison to the Seller for the due diligence and investor communications. To best use this resource, use the escalation log found inside each individual transaction on the website. Specifically, use the escalation log to address questions regarding conditions, to request expedited reviews and waivers of outstanding conditions, or to request information from the purchase clearing specialist.

9. | Final Documents

9.1 | Collateral Package Documents

CBCMA requires the original, final collateral documents, with the exception of mortgages (deeds) that are pending being recorded in the appropriate jurisdiction (for which a certified true copy must be provided).

First and Second Lien Notes must be Endorsed to CBCMA, or an Allonge that is wet signed (stamped signature OK if it is an original).

The original collateral package is reviewed by CBCMA prior to the mortgage loan being approved for purchase. Any deficiencies are noted in the client site as loan conditions. Collateral conditions for corrected or additional original documents should be sent to CBCMA, and a copy of the document should be uploaded to the Client Site.

For each loan purchased by CBCMA, all final closing documents must be delivered by no later than eighty-five (85) days (sixty [60] days for FHA MIC) after the purchase of the mortgage loan. If complete documentation is not received within the eighty-five-day (sixty [60] days from the Note date if FHA MIC) period, CBCMA may require the seller to incur a delivery fee or repurchase the mortgage loan, or both. (However, the notes for both mortgages must be delivered within three [3] days of reverse bailee delivery if a reverse bailee is used.)

CBCMA advises Sellers to use an express shipping service to track shipments and ensure timely delivery of the original note, collateral package, and trailing documents.

9.2 | Mortgage Electronic Registration Systems (MERS)

First mortgage loans being sold to CBCMA, and all secondary mortgages where DPA Funds have been reimbursed, must be registered in MERS no later than seven days after the closing date in accordance with MERS Guidelines.

In addition, all mortgage loans, first and second liens must have a TOS/TOB transfer initiated to CBCMA through MERS within 48 hours after CBCMA purchases the first mortgage loan and/or within 48 hours of the DPA funds being reimbursed on the secondary mortgage, resulting in the MIN reflecting CBCMA as the holder of the Servicing and Investing rights in MERS within 72 hours of the same purchase date, and/or DPA reimbursement date.

CBC Mortgage Agency's Org. ID is 1012881.

- We remind all Sellers of the following: First and Second Liens should not be assigned the same MIN. Each lien will need its own individual MIN.
- MIN should be listed on the Note and Security Instrument and should name MERS as beneficiary/mortgagee/grantee.
 - The only exception to this is Maine Property loans.
- All loan information should be entered into MERS as shown on the Security Instrument.
 - Select the correct lien type for the loan (secondary mortgages should reflect subordinate lien type in MERS).
 - Loan amount should also match based on the lien type.
- An interim funder and sub-servicer should not be added for secondary mortgages.

Assignments should only be used in the event where the property is a Maine loan and cannot be assigned to MERS directly within the Security Instrument. A MIN should still be registered for the 1st and 2nd MINS, and an Assignment to MERS should be completed to properly assign the loan to MERS. Please note that you must use a Maine Approved Assignment to MERS for this and that all state-required verbiage is included. Please contact our MERS Department if you would like a template for reference.

Assignments must be sent to CBCMA's corporate office at the below address:

9.3 | FHA Connection

9.3.1 FHA Mortgage Record Change

The Seller is responsible for completing the mortgage record change to CBCMA in FHA Connection (FHAC). To report servicer/holder transfer, the Seller must log in to FHAC to complete the transfer. Mortgage record changes must be completed within fifteen (15) business days from the date of purchase.

- Access the Mortgage Record Changes menu.
- Click Servicer/Holder Transfer (HUD Form 92080).
- Enter the FHA Case Number (including the dash).
- Enter original mortgage amount, including UFMIP (do not enter \$ sign or comma).
- Enter the first five digits of the CBCMA ID “94130“ into the Holding Mortgagee.
- Complete the new Servicing Mortgagee field.
- Enter the date of transfer (Purchase Date).

9.3.2 Trailing Docs

For each loan purchased by CBCMA, all final, original closing documents must be delivered by the required delivery date, which is within eighty-five (85) calendar days of the closing of such mortgage loan (or sixty [60] calendar days from closing in the case of the FHA Mortgage Insurance Certificate).

9.4 | FHA Mortgage Insurance Certificate

MICs are not required to be delivered prior to purchase and must be delivered to CBCMA within sixty (60) days of the note date. In addition, upfront MIP must be paid prior to purchase.

This will help us better align with industry standards for mitigating risk and preventing secondary delivery delays. Fees will be applied if delivery dates are not met. For more information, contact finaldocs@chenoafund.org.

10. | Servicing

10.2 | Subordination Policy

CBCMA rarely accepts subordination requests for our Chenoa Fund® down payment assistance second lien products.

10.2.1 Amortized & Repayable Second Mortgage

CBCMA does not allow for subordinations in the first thirty-six (36) months of the loan beginning with the first payment on the loan. If a borrower would like to refinance their first mortgage prior to the thirty-sixth month, CBCMA will not subordinate, and thus the second mortgage must be paid in full. For payoff information, please contact servicing@chenoafund.org.

During the aforementioned non-subordination period, if it is discovered that the original loan has a loan defect, and this defect may be cured by the original maker of the loan via a refinance, CBCMA would subordinate to this refinance.

To subordinate after this thirty-six-month period, the borrowers must have made thirty-six (36) payments on both the primary and secondary loans, with no late payments (defined as more than thirty [30] days late). Payments may not be paid forward to satisfy the waiting period, and it is required that all the payments have been made prior to CBCMA issuing a subordination approval.

See section 10.2.3 (General Subordination Policy) if the loan qualifies for subordination. To request a payoff, contact servicing@chenoafund.org.

10.2.2 Forgivable Second Liens

CBCMA does not allow for subordinations on the forgivable Chenoa Fund® for FHA product. The Note specifically dictates that a refinance on the first mortgage would trigger a payoff of the second mortgage.

The forgivable Chenoa Fund® for FHA product, will permanently lose its forgivable status if the borrower refinances the first mortgage and state law allows the second mortgage to subordinate without prior consent from CBCMA. If the loan's forgivable status is permanently lost then the loan will have a 0% interest rate and no monthly payment, but it will need to be repaid upon refinance, transfer of ownership, or the end of the 30-year term.

If it is discovered that the original loan has a loan defect, and this defect may be cured by the original maker of the loan via a refinance, CBCMA would subordinate to this refinance.

To request loan forgiveness or request a payoff, contact servicing@chenoafund.org.

10.2.3 General Subordination Policy

Should a loan qualify for subordination, the following process is required:

- The requesting party should email a copy of the subordination agreement to servicing@chenoafund.org for review and acceptance.
- A \$150 processing fee is required (payable to CBCMA).
- A return shipping label is required, as well as a subordination document to be executed.

All documents may not be executed until we have verified the payment as received.

10.3 | Indemnification

At the sole discretion of CBCMA, the Remedy of Indemnification against loss may apply to a mortgage loan that is otherwise subject to a Repurchase Remedy upon the occurrence of a Repurchase Event of Default, per the terms of the Agreement. The terms and conditions of the Indemnification may vary with circumstances relevant to each mortgage loan, but at CBCMA's discretion may include a return to CBCMA by the Seller of the amount of the purchase price that exceeds par, which includes without limitation any SRP and pricing premium paid to the Seller and the down payment assistance provided to the borrower. Par is 100% of the unpaid principal balance that was purchased by CBCMA.

In addition, the Indemnification may require payment of the estimated loss CBCMA reasonably believes it may incur or actual loss it has incurred as a result of the Event of Default that gave rise to the Indemnification Remedy, including without limitation any marketing loss upon sale of an impaired Mortgage Loan at a reduced market price, loss due to indemnification, repurchase, or make-whole required of the Seller.

10.4 | Transfer of Servicing

After purchase of the loan by CBCMA, but no later than within five (5) business days of purchase, the Seller must immediately notify HUD and each borrower of the sale of the first mortgage loan. All disclosures and notifications to the borrowers must meet current applicable federal, state, local, and regulatory law requirements.

No less than fifteen (15) days before the effective date of the transfer of the first lien loan, the Seller must send the applicable required correspondence to the borrower(s) notifying the borrower(s) of the servicing transfer of the first lien loan ("Goodbye Letter"). For this notice, the effective date of the transfer is the first payment due to CBCMA. The Goodbye Letter must meet current applicable federal, state, local, and regulatory law requirements.

Since CBCMA reimburses the full amount of all DPA loans and the first payment of a repayable, second lien loan is due to CBCMA through its Servicer, Midwest Loan Services per the Note and First Payment Letter, the Lender is not required to send a Goodbye Letter for those loans but may choose to at its discretion. If the Lender chooses to send a Goodbye Letter to the borrower on a repayable, second lien loan, the effective date of the transfer is the first payment of the loan.

Notifications must include, but may not be limited to, the following:

- Indicate and identify the date on which the servicing duties are to be transferred, which shall be the same date as the date on which payments are to commence to CBCMA or its designated servicer.
- Identify the date the Seller will no longer accept payments on the mortgage loan.
- Identify the transferee of the servicing duties.

- Provide the Seller’s name and, for both companies involved in the transfer, a complete address, the appropriate department name, and a toll-free or collect call telephone number, which the borrower(s) may call with questions.
- Direct the borrower(s) to forward future payments to the servicing payment processing center (see Payment Processing address information below).
- Notify the borrower(s) that the transfer does not affect any terms or conditions of the mortgage loan other than those related to servicing.

CBCMA requires a sample copy of the Goodbye Letter to be included in the loan package at time of delivery. This applies to all first mortgages, repayable second liens and forgivable second liens.

Additionally, Sellers must provide a copy of the servicing-related notes, post-closing loan-level comments and any other loan servicing documentation as regulatory law and investor guidelines require. Servicing notes and comments should be formatted in a manner that is required by regulatory and investor guidelines and appropriate to share with the borrower when required under the applicable law.

10.4.1 Information for Goodbye Letter:

Sellers must use the information in the table below for goodbye letters on all FHA first lien loans.

Since CBCMA reimburses the full amount of all DPA loans and the first payment of a repayable, second lien loan is due to CBCMA through its Servicer, Midwest Loan Services per the Note and First Payment Letter, the Lender is not required to send a Goodbye Letter for those loans but may choose to at its discretion. If the Lender chooses to send a Goodbye Letter on any DPA loan, the appropriate information in the table below must be used.

11. | Early Payment Default and Early Pay Off

11.1 | First and Early Payment Defaults

There is an “Early Payment Default” with respect to any Mortgage Loan if the related Mortgagor fails to make any of the first through sixth Monthly Payments due Purchaser for such Mortgage Loan on or prior to the last day of the calendar month in which such Monthly Payment is due. For purposes of this Agreement, a payment for which Purchaser deducted funds at the time it purchased the Mortgage Loan from Seller shall not be considered the first payment due Purchaser. Seller shall not have the right to advance funds for or on behalf of a Mortgagor for any payment or to otherwise make funds available to any Mortgagor to avoid or cure a default by the Mortgagor.

In the event of an Early payment Default, Purchaser may require , Seller to: (1) repurchase the related Mortgage Loan; or (2) pay Purchaser 1.75% of the unpaid principal balance as of the date of Purchase plus \$2,000 (2) and a Subsequent Transferee requires a repurchase of the Mortgage Loan due to an Early Payment Default, Purchaser may still require Seller to repurchase the related Mortgage Loan at the Repurchase Price minus any amounts paid pursuant to option (2). To the extent an Agency provides relief to Purchaser or its assigns for any liabilities or Repurchase Obligations resulting from an Early Payment Default, Purchaser shall be under no obligation to provide comparable relief to Seller. Any payment pursuant to this paragraph shall not limit Seller’s indemnification obligations hereunder with respect to such Mortgage Loan.

11.2 Early Payoff

In addition to the other obligations of the seller and the other remedies available to the purchaser under this agreement, if a mortgage loan is prepaid in full, other than by a refinancing by the purchaser, on or before making the seventh monthly payment (due to the purchaser or its assigns) following the closing date, the seller shall:

- Refund to the purchaser the premium paid by the purchaser to the seller (the term “premium” shall mean the portion of the amount paid by purchaser to seller for the applicable mortgage loan that exceeds the principal balance of such mortgage loan); and,
- If a grant or gift has been provided through the purchaser in connection to the mortgage loan, the seller shall also refund the amount of the grant or gift.

ADDENDUM A

SUPPLEMENT TO CORRESPONDENT MORTGAGE LOAN PURCHASE AGREEMENT

This Supplement to Correspondent Mortgage Loan Purchase Agreement and the other terms of this Correspondent Seller Guide (collectively, this “CLPA Supplement”), is incorporated into and made part of the Correspondent Mortgage Loan Purchase Agreement between Seller and Purchaser (the “CLPA”), and governs the purchases of Mortgage Loans by Purchaser from Seller.

1. **Definitions.** All capitalized terms used in this CLPA Supplement shall have the meanings set forth in Exhibit A to this Supplement, in the CLPA, or as otherwise defined herein.

2. **Pricing; Lock Commitments; Purchases.**

a) **Rate Sheet.** Purchaser may periodically provide Seller with a rate sheet (the “Rate Sheet”) setting forth interest rates, discount points, lock-in periods, and such other pricing terms as Purchaser in its sole discretion shall determine. Purchaser may provide Rate Sheets to Seller via email transmission or by posting them to Purchaser’s correspondent lender online portal (the “Portal”) on a daily basis or in such other manner and at such other times as Purchaser considers appropriate in its sole discretion. Purchaser reserves the right to change the terms of any Rate Sheet at any time and without notice to Seller.

b) **Lock Commitment.** When Seller desires to offer a Mortgage Loan for sale to Purchaser, Seller shall submit all of the documentation and other information required by this CLPA Supplement, in the forms required by this CLPA Supplement, by upload through the Portal. Seller shall confirm completion of such submission as required by this CLPA Supplement (by clicking on the applicable Portal call to action button or otherwise directed by Purchaser), and upon such confirmation the Seller shall be deemed to have offered the Mortgage Loan for sale to Purchaser pursuant to the terms of the applicable Rate Sheet and the CLPA (the date of such confirmation, the “Lock Date”). Purchaser may issue to Seller a written commitment to purchase the offered Mortgage Loan upon the satisfaction of the Purchase Conditions and on the applicable terms set forth herein (the “Lock Commitment”). With respect to each Mortgage Loan under a Lock Commitment, Purchaser agrees to pay the applicable Purchase Price for the time period agreed to as of the date of the Lock Commitment (the “Lock Period”), provided that all of the applicable terms and conditions of the CLPA and the related Lock Commitment have been met. Seller agrees to close each such Mortgage Loan and to deliver same to Purchaser within Lock Period. The Rate Sheet applicable to each Mortgage Loan shall be the Rate Sheet in effect as of the Lock Date.

c) **Best Efforts Delivery.** Absent a written agreement between Purchaser and Seller, Mortgage Loans are subject to Best Efforts Delivery. “Best Efforts Delivery” means a Lock Commitment under which Seller has committed to exercise its best efforts to close and deliver

a specific Mortgage Loan that is eligible for purchase by Purchaser pursuant to the CLPA and conforms to the interest rate lock terms for the specific Mortgage Loan. If a Mortgage Loan subject to Best Efforts Delivery does not close, Seller shall not owe Purchaser a pair-off fee. If the Best Efforts Delivery Mortgage Loan closes under different terms than locked or if Purchaser has not rejected the Mortgage Loan and a Best Efforts Delivery Mortgage Loan does close but is not delivered, unless the Lock Commitment sets forth alternative pair-off fee terms, Seller shall pay a pair-off fee to Purchaser in the amount of the greater of: (i) 0.125% of the locked Mortgage Loan amount; (ii) if the market price is better, the full difference between the locked price and the market price; and (iii) if the market price has declined and the Mortgage Loan was cancelled after being suspended for 30 days or more, 0.750% of the locked Mortgage Loan amount. For purposes of determining a pair-off fee, the market price is the initial best-efforts price published by Purchaser pursuant to the related Rate Sheet for a Mortgage Loan with the terms, other than price, of the locked Mortgage Loan on the day following the earlier of (x) the notice of non-delivery or (y) the expiration of the interest rate lock.

d) Purchase and Conveyance. Each sale and purchase of a Mortgage Loan by Purchaser from Seller on a Purchase Date (each a “Purchase”) shall: (i) be subject to the terms of the CLPA, this CLPA Supplement, and the satisfaction or waiver of all Purchase Conditions on or before the related Purchase Date; (ii) take place on the related Purchase Date; and (iii) be evidenced by the related Purchase Advice.

3. Servicing of the Mortgage Loans; Transfer of Servicing.

a) Servicing Released. The Mortgage Loans shall be sold by Seller to Purchaser on a servicing released basis. Purchaser shall retain the Interim Servicer as the contract servicer of the Mortgage Loans for an interim period beginning on the applicable Purchase Date and concluding on the applicable Transfer Date for no additional consideration. Seller shall conduct servicing of each Mortgage Loan in accordance with Accepted Practices. The Interim Servicer shall advise Purchaser from time to time of such servicing actions that the Interim Servicer believes should be taken with respect to any Mortgage Loan and will take such actions to the extent authorized to do so by Purchaser. The Interim Servicer shall not, without the prior written consent of Purchaser: (i) commence foreclosure proceedings; (ii) liquidate any Mortgage Loan (including through short sale or acceptance of a deed-in-lieu of foreclosure); or (iii) modify or defer any Mortgage Loan (including releasing any collateral or any party from liability on or with respect to such Mortgage Loan, forgiving of principal, entering into of any forbearance, payment deferral, or similar agreement, or granting of any interest set-aside). If the Interim Servicer takes any of the foregoing actions with respect to any Mortgage Loan without the prior written consent of Purchaser, Seller shall repurchase such Mortgage Loan upon demand of Purchaser.

b) Servicing File. Seller’s (or the Interim Servicer’s) possession of any portion of the Servicing File is at the will of Purchaser for the sole purpose of facilitating servicing of the related Mortgage Loan prior to the Transfer Date, and such retention and possession by Seller shall be in a custodial capacity only, in trust for Purchaser. The Servicing File retained by

Seller prior to the Transfer Date shall be segregated from the other books and records of Seller and shall be appropriately marked to clearly reflect the sale of the related Mortgage Loan to Purchaser.

c) **Transfer of Servicing.** With respect to each Mortgage Loan, on the related Transfer Date, Purchaser or its designee shall assume all servicing responsibilities related to, and Seller shall cease all servicing responsibilities related to, such Mortgage Loan. On or prior to the related Transfer Date, Seller shall, at its sole cost and expense, take such steps as may be necessary or appropriate to effectuate and evidence the transfer of the servicing of the Mortgage Loans to Purchaser or its designee, including those steps set forth in this CLPA Supplement as well as the following, in each case in accordance with Applicable Requirements: (i) mailing to the Mortgagor of each Mortgage a “goodbye letter”; (ii) providing appropriate notice to taxing authorities and insurance companies; and (iii) forwarding to Purchaser or its designee all servicing records and the Servicing File relating to each Mortgage Loan. Any misapplied payments relating to a Mortgage Loan shall be processed in accordance with this CLPA Supplement.

4. **Seller Representations.** Seller hereby covenants, represents and warrants, on and as of each Purchase Date, each Transfer Date, and at all other times during the term of the CLPA, as follows:

any Applicable Requirement, impair the ability of Purchaser to realize on the Mortgage Loans, or impair the value of the Mortgage Loans, (ii) the consummation of the transactions contemplated by the CLPA are in the ordinary course of business of Seller, (iii) the transfer, assignment and conveyance of the Mortgage Notes and the Mortgages by Seller pursuant to the CLPA are not subject to the bulk transfer or any similar statutory provisions in effect in any applicable jurisdiction, (iv) Seller does not believe, nor does it have any reason or cause to believe, that it cannot perform each and every covenant required of Seller under the CLPA, and (v) the selection of each Mortgage Loan offered for sale to Purchaser (1) was made from among Seller's entire portfolio of mortgage loans for which the loan representations herein could be made, and (2) was not intended to identify mortgage loans that are less desirable than other mortgage loans owned by Seller;

e) No Untrue Information. Seller acknowledges that Purchaser is relying on Seller as to the truth and accuracy of such third-party information contained in Mortgage Loan Documents. Seller shall inform Purchaser of any irregularities discovered on Mortgage Loans, and to take appropriate remedial action, which may, in accordance with the terms of the CLPA, include repurchasing Mortgage Loans as a result of the inaccuracy of such information. Within five Business Days of request from Purchaser,

5. Mortgage Loan Representations.

Seller hereby covenants, represents and warrants, on and as of each Purchase Date and each Transfer Date, as follows with respect to each Mortgage Loan and, as applicable, each Second Loan:

a) Mortgage Loan Documents. Each Mortgage Loan Document (i) is duly executed and constitutes a binding, enforceable, and valid obligation of the Mortgagor without counterclaim, setoff, surcharge, right of rescission or any other defense, (ii) is freely assignable and transferrable by Seller to Purchaser without prior notice to or consent from the Mortgagor or any other Person, (iii) is complete, correct, and genuine in all respects, (iv) does not contain any provision that (1) has been altered, amended, cancelled, invalidated, modified, released, rescinded, subordinated, or waived in whole or in part, except by a written document included in the Mortgage File that has been approved and executed by all applicable Persons, (2) reasonably could be expected to render the Mortgage Loan Document void or voidable in whole or in part, (3) constitutes a buydown structure, a pick-a-payment option, or a contingent or simple interest feature, (4) allows for dispute arbitration, graduated payments, negative amortization, balloon payments, rate conversion, or a term to maturity greater than 30 years, or (5) misstates any material fact or omits to state any material fact necessary in order to make any representation, warranty, or statement therein not misleading, and (6) complies, in both form and substance, with all Applicable Requirements. No

Mortgage Loan was made in connection with the construction or rehabilitation of the Mortgaged Property or facilitating the trade-in or exchange of the Mortgaged Property.

b) Payments Current. All payments due on or prior to the applicable Purchase Date have been made as of the applicable Purchase Date. No payment under the Mortgage Loan is more than 30 days past due or has been 30 days or more past due since origination. No payment made on the Mortgage Loan has been dishonored;

c) No Outstanding Charges. There are no defaults in complying with the terms of the Mortgage, and all taxes, governmental assessments, insurance premiums, water, sewer and municipal charges, leasehold payments or ground rents which previously became due and owing have been paid, or an escrow of funds has been established in an amount sufficient to pay for every such item which remains unpaid and which has been assessed but is not yet due and payable. Seller has not advanced funds, or induced, solicited or knowingly received any advance of funds by a party other than the Mortgagor, directly or indirectly, for the payment of any amount required under the Mortgage Loan;

d) Hazard and Flood Insurance.

i. Pursuant to the terms of the Mortgage, all buildings or other improvements upon the Mortgaged Property are insured by a generally acceptable insurer against loss by fire, hazards of extended coverage and such other hazards as are customary in the area where the Mortgaged Property is located pursuant to insurance policies conforming to all Applicable Requirements. The Mortgage obligates the Mortgagor thereunder to maintain the hazard insurance policy at the Mortgagor's cost and expense, and on the Mortgagor's failure to do so, authorizes the holder of the Mortgage to obtain and maintain such insurance at such Mortgagor's cost and expense, and to seek reimbursement therefor from the Mortgagor. All insurance policies contain a standard mortgagee clause naming Seller and its successors and assigns as mortgagee, and all premiums thereon have been paid;

iii. Each insurance policy is the valid and binding obligation of the insurer, is in full force and effect, and will be in full force and effect and inure to the benefit of Purchaser upon the consummation of the transactions contemplated by the CLPA. Seller has not engaged in, and has no knowledge of the Mortgagor or any servicer or subservicer having engaged in, any act or omission which would impair the coverage of any such policy, the benefits of the endorsement provided for herein, or the validity and binding effect of either. Seller has caused or will cause to

be performed any and all acts required to preserve the rights and remedies of Purchaser in any insurance policies applicable to the Mortgage Loans including any necessary notifications of insurers, assignments of policies or interests therein, and establishments of coinsured, joint loss payee and mortgagee rights in favor of Purchaser;

The origination, servicing and each prior purchase and sale of the Mortgage Loan has complied with all Applicable Requirements, including any Applicable Laws relating to usury, truth-in-lending, real estate settlement procedures, consumer credit protection, equal credit opportunity, disclosure, predatory and abusive lending, unfair and deceptive practices, fraud, lack of consideration, unconscionability, fair housing, prepayment penalties, anti-money laundering (including all Office of Foreign Assets

control laws and requirements), privacy, and consumer credit transactions. The Mortgage Loan is a “qualified mortgage” within the meaning of Section 860G(a)(3) of the Internal Revenue Code;

i) No Satisfaction of Mortgage. The Mortgage has not been satisfied, canceled, subordinated or rescinded, in whole or in part, and the Mortgaged Property has not been released from the lien of the Mortgage, in whole or in part, nor has any instrument been executed that would affect any such release, cancellation, subordination or rescission. Seller has not waived the performance by the Mortgagor of any action, if the Mortgagor’s failure to perform such action would cause the Mortgage Loan to be in default, nor has Seller waived any default resulting from any action or inaction by the Mortgagor;

j) Mortgaged Property. The Mortgaged Property (i) is a fee simple property located in the state identified in the related Purchase Advice or applicable Mortgage Loan Documents, (ii) consists of a single parcel of real property with a detached single family residence erected thereon, or a two- to four-family dwelling, or an individual condominium unit in a low-rise condominium project, or an individual unit in a planned unit development, (iii) is none of a cooperative unit, rural property, mobile home or a manufactured dwelling; (iv) is not used for agricultural or commercial purposes, (v) is in good repair and not affected by any physical damage or deferred maintenance that (1) is not reflected in the most recent appraisal included in the Mortgage File or (2) could reasonably be expected to impair the habitability, use, or value of the Mortgaged Property, (vi) is not protected by any homestead or similar exemption that reasonably could be expected to impair the realization against the Mortgaged Property of all benefits of the lien created by the Mortgage, (vii) is not affected by the presence of, or used for the purpose of disposing, generating, releasing, storing, or treating, any “hazardous material,” “hazardous substance,” “hazardous waste,” “solid waste,” or “toxic substance,” as those terms are defined pursuant to any Applicable Laws, (viii) is not the subject of any covenant, easement, encumbrance, interest, lien, right, servitude, or other restriction that is not covered by the applicable loan policy of title insurance, (ix) is not the subject of any option or right by any Person, other than the Mortgagor, to acquire any right, title, or interest therein, or to receive any proceeds from the conveyance, encumbrance, or other transfer of any right, title, or interest therein, (x) is not the subject of any pending or threatened legal proceeding by any governmental authority seeking the permanent or temporary condemnation, possession, or taking of all or any part thereof, (xi) is not in a zip code declared by the FEMA as being an “Individual Assistance” property or “Category 1” property (or such similar term(s) or classification(s) that may be used by FEMA from time to time); and (xi) complies with all Applicable Requirements;

k) Valid Lien. The Mortgage (i) creates a valid, subsisting enforceable and perfected first lien and first priority security interest on the Mortgaged Property (subject only to Permitted Liens), for the benefit of Seller and its successors and assigns in all rights, title, and interests (whether now existing or hereafter acquired) of the Mortgagor in, to, and under the Mortgaged Property as collateral for the payment and performance of all monetary and non-monetary obligation imposed upon the Mortgagor pursuant to the Mortgage Loan Documents, (ii) is publicly recorded, or has been submitted for recordation, in accordance with all Applicable Laws of the jurisdiction where the Mortgaged Property is located, (iii) contains customary and enforceable

provisions that entitle the mortgagee to accelerate payment of the indebtedness evidenced by the Mortgage Note, and to realize against the Mortgaged Property all benefits of the lien created by the Mortgage, in the event of (1) a monetary or non-monetary default pursuant to the Mortgage Loan Documents, or (2) a conveyance, encumbrance, or other transfer of any right, title, or interest of the Mortgagor in, to, or under the Mortgaged Property without the mortgagee's prior written consent, and (iv) complies with all Applicable Requirements. If the Mortgage is a deed of trust, then (x) a duly qualified trustee has been properly designated and currently serves in such capacity, and (y) no costs, expenses, or fees are or will become due or payable by Purchaser to such trustee;

l) Second Loans. With respect to each Second Loan, the mortgage loan that is secured by a first priority lien on the Mortgaged Property: (i) does not prohibit the Mortgagor from granting a second-priority lien upon the Mortgaged Property, (ii) does not allow for graduated payments, negative amortization, rate conversion, or a term to maturity greater than 30 years, and (iii) is not the subject of any monetary or non-monetary default by the Mortgagor pursuant to the related loan documents, and no circumstance has occurred or is continuing that, with or without notice or the lapse of time or both, constitutes or reasonably could be expected to result in any monetary or non-monetary default under the related loan documents;

m) Full Disbursement of Proceeds. The Mortgage Loan has been closed and the proceeds of the Mortgage Loan have been fully disbursed and there is no requirement for future advances thereunder, and any and all requirements as to completion of any on-site or off-site improvement and as to disbursements of any escrow funds therefor have been complied with. All costs, fees and expenses incurred in making or closing the Mortgage Loan and the recording of the Mortgage were paid, and the Mortgagor is not entitled to any refund of any amounts paid or due under the Mortgage Note or Mortgage;

n) Ownership. Seller is the sole owner of record and holder of the Mortgage Loan. The Mortgage Loan is not assigned or pledged, and Seller has good and marketable title thereto, and has full right to transfer and sell the Mortgage Loan therein to Purchaser free and clear of any encumbrance, equity, participation interest, lien, pledge, charge, claim or security interest, and has full right and authority subject to no interest or participation of, or agreement with, any other party, to sell and assign each Mortgage Loan pursuant to the CLPA. From and after the Purchase Date, Purchaser shall be the sole owner of the Mortgage Note;

o) No Defaults. There is no default, breach, violation or event of acceleration existing under the Mortgage or the Mortgage Note and no event which, with the passage of time or with notice and the expiration of any grace or cure period, would constitute a default, breach, violation or event of acceleration, and neither Seller nor its predecessors have waived any default, breach, violation or event of acceleration;

p) No Mechanics' Liens. There are no mechanics' or similar liens or claims which have been filed for work, labor or material (and no rights are outstanding that under the law could give rise to such liens) affecting the related Mortgaged Property which are or may be liens prior to, or equal or coordinate with, the lien of the related Mortgage;

q) Customary Provisions. The Mortgage contains customary and enforceable provisions such as to render the rights and remedies of the holder thereof adequate for the realization against the Mortgaged Property of the benefits of the security provided thereby, including, (i) in the case of a Mortgage designated as a deed of trust, by trustee's sale, and (ii) otherwise by judicial foreclosure. Upon default by a Mortgagor on a Mortgage Loan and foreclosure on, or trustee's sale of, the Mortgaged Property pursuant to the proper procedures, the holder of the Mortgage Loan will be able to deliver good and merchantable title to the Mortgaged Property. There is no homestead or other exemption available to the Mortgagor which would interfere with the right to sell the Mortgaged Property at a trustee's sale or the right to foreclose the Mortgage subject to applicable federal and state laws and judicial precedent with respect to bankruptcy and right of redemption;

r) Agency Mortgage Loans. Each Agency Mortgage Loan is in conformity with Agency Guidelines, and the related Mortgage Note and Mortgage are on forms acceptable to the applicable Agency;

s) Acceptable Investment. Seller has no knowledge of any circumstances or conditions with respect to the Mortgage, the Mortgaged Property, the Mortgagor or the Mortgagor's credit standing that can reasonably be expected to cause any potential or actual Subsequent Transferee to regard the Mortgage Loan as an unacceptable investment, cause the Mortgage Loan to become delinquent, or adversely affect the value or marketability of the Mortgage Loan;

t) Delivery of Mortgage Documents. The Mortgage Loan Documents have been delivered to Purchaser or its designee. Seller is in possession of a complete, true and accurate Mortgage File in compliance with Exhibit B, except for such documents the originals of which have been delivered to Purchaser or delivered to the appropriate recording office for recording;

u) Transfer of Mortgage Loans. Each assignment of Mortgage is in recordable form and is acceptable for recording under the laws of the jurisdiction in which the Mortgaged Property is located;

v) Servicing; Escrow Deposits; Interest. The Mortgage Loan has been serviced in accordance with Accepted Practices. With respect to escrow deposits and Escrow Payments, all such payments are in the possession of Seller and there exist no deficiencies in connection therewith for which customary arrangements for repayment thereof have not been made. All Escrow Payments have been collected in full compliance with Applicable Laws. An escrow of funds is not prohibited by Applicable Law and has been established in an amount sufficient to pay for every item which remains unpaid and which has been assessed but is not yet due and payable. No escrow deposits or Escrow Payments or other charges or payments due Seller have been capitalized under the Mortgage or the Mortgage Note. All Mortgage interest rate adjustments have been made in compliance with Applicable Law and the terms of the related Mortgage Note;

w) Service members' Civil Relief Act. The Mortgagor has not notified Seller, and Seller has no knowledge of any relief requested or allowed to the Mortgagor under the Servicemembers' Civil Relief Act of 2003, or any successor legislation thereto, or any other Federal or state law that would have the effect of suspending or reducing the borrower's payment obligation under a Mortgage Loan or that would prevent or restrict the ability of Purchaser to commence or continue with foreclosure of the mortgaged property securing the Mortgage Loan or any other remedy available under the Mortgage Loan Documents;

x) Recordation. Seller is MERS approved, and all Mortgage Loans are and shall be registered with MERS and subject to the MERS identification system and Seller has filed notice of transfer or equivalent instrument in recordable form, sufficient under the laws of the jurisdiction wherein the related Mortgaged Property is located to give record notice of the sale of the Mortgage Loan to Purchaser or Purchaser's assigns; and

y) Underwriting Methodology. The Mortgage Loan was underwritten in accordance with all Applicable Laws, this CLPA Supplement, and Seller's underwriting guidelines in effect at the time the Mortgage Loan was originated. The methodology used in underwriting the extension of credit for each Mortgage Loan employed objective mathematical principles which relate the Mortgagor's income, assets and liabilities to the proposed payment and such underwriting methodology did not rely on the extent of the Mortgagor's equity in the collateral as the principal determining factor in approving such credit extension. Such underwriting methodology confirmed that at the time of origination (application/approval) the Mortgagor had a reasonable ability to make timely payments on the Mortgage Loan.

6. Remedies of Purchaser.

a) Breaches. It is understood and agreed that the representations and warranties of Seller set forth in the CLPA and this CLPA Supplement shall survive the sale of the Mortgage Loans (or, as applicable, the assignment of the Second Loans) to Purchaser and the delivery of the Mortgage Loan Documents to Purchaser, and shall inure to the benefit of Purchaser, notwithstanding any restrictive or qualified endorsement on any Mortgage Loan Document or the examination or failure to examine any Mortgage File. With respect to those representations and warranties which are made to Seller's knowledge, if it is discovered by Seller or Purchaser that the substance of such representation and warranty is inaccurate and in Purchaser's sole determination such inaccuracy may or does materially and adversely affect the value of the related Mortgage Loan or the interest of Purchaser, notwithstanding Seller's lack of knowledge with respect to the substance of such representation and warranty, such inaccuracy shall be deemed a Breach. Further, each representation, warranty and covenant herein is in addition to and does not limit or qualify the representations, warranties and covenants of Seller set forth in the Applicable Requirements.

b) Repurchase Events.

i. In addition to the other obligations of Seller and the other remedies available to

Purchaser under the CLPA, this CLPA Supplement, or at law or equity, Seller shall be required to repurchase a Mortgage Loan at the Repurchase Price within 20 calendar days following notice from Purchaser upon the occurrence of any of the following (each, a “Repurchase Obligation”): (i) any Breach; or (ii) any other event that triggers an obligation of Seller to repurchase a Mortgage Loan hereunder. For the purposes of clarity, Seller’s Repurchase Obligation applies to only first Mortgage Loans.

ii. In the event there exists a Repurchase Obligation with respect to any Mortgage Loan, in addition to any other rights and remedies that Purchaser may have, subject to any limitations of applicable Subsequent Transferee or insurer requirements, Purchaser may demand that Seller cure the related Breach or other issue causing the Repurchase Obligation. Seller shall have 30 calendar days (or such shorter period as required by a Subsequent Transferee or otherwise reasonably required by Purchaser) to cure any breach or issue which is susceptible of cure. Even if Seller cures such breach, Seller shall remain liable to Purchaser for any Damages incurred prior to the cure and for the indemnification of any remaining claims.

iii. Any repurchase of a Mortgage Loan hereunder shall be accomplished by direct remittance of the Repurchase Price to Purchaser in immediately available funds or otherwise in accordance with Purchaser’s instructions. At the time of repurchase, Purchaser and Seller shall arrange for the reassignment of the repurchased Mortgage Loan to Seller and the delivery to Seller of any documents that were delivered by Seller to Purchaser or held by Purchaser relating to the repurchased Mortgage Loan. In the event of a repurchase, Seller shall, simultaneously with such reassignment, give written notice to Purchaser and any servicer of the Mortgage Loans that such repurchase has taken place.

c) Solicited Mortgage Loans.

i. From and after each Purchase Date, Seller hereby agrees that it will not take any action or permit or cause any action to be taken by any of its Representatives, affiliates, or by any independent contractors on Seller’s behalf, to personally, by telephone or mail, solicit the borrower or obligor under any related Mortgage Loan for any purpose whatsoever, including to refinance a Mortgage Loan, in whole or in part, without the prior written consent of Purchaser. It is understood and agreed that all rights and benefits relating to the solicitation of any Mortgagors and the attendant rights, title and interest in and to the list of such Mortgagors and data relating to their Mortgages (including insurance renewal dates) shall be transferred to Purchaser pursuant hereto on the related Purchase Date and Seller shall take no action to undermine these rights and benefits. Notwithstanding the foregoing, it is understood and agreed that promotions undertaken by Seller or any affiliate of Seller which are directed to the general public at large, including mass mailing based on commercially acquired mailing lists, newspaper, radio, internet, email and television advertisements shall not constitute solicitation under this section.

ii. If Seller, any affiliate of Seller, or any of their respective Representatives refinances any Mortgage Loan at any time before the one year anniversary of the related Purchase Date, then Seller shall, within 30 days after the closing date of such refinancing, (1) provide Notice thereof to Purchaser, and (2) remit payment by wire transfer of immediately available funds to Purchaser in an amount equal to (A) 100.00% of the Premium, in the event the closing date of such refinancing occurs within 120 days after the related Purchase Date, (B) 66.66% of the Premium, in the event the Purchase Date of such refinancing occurs between 121 and 240 days after the

related Purchase Date, or (C) 33.33% of the Purchase Premium, in the event the closing date of such refinancing occurs between 241 and 365 days after the related Purchase Date.

d) Failure of Seller to Timely Deliver Complete Mortgage Loans or Mortgage Loan Documents.

i. If Purchaser receives an incomplete Mortgage File or a defective Mortgage Loan Document with respect to any Mortgage Loan, then Seller shall use best efforts to deliver all missing and corrected Mortgage Loan Documents to Purchaser's satisfaction within 60 days after notice thereof from Purchaser (the "Delivery Period"); provided however, if Seller is unable to deliver any missing or corrected Mortgage Loan Document before the expiration of the Delivery Period solely as a result of a delay by the public recording office (each a "Delayed Document"), then, before the expiration of the Delivery Period, Seller shall deliver to Purchaser a written certification executed by an officer of Seller attesting that such Delayed Document has been accepted for recordation and will be delivered to Purchaser within two Business Days after Seller's receipt thereof, and appending a receipt certified by such recording office confirming that such Delayed Document has been accepted for recordation.

ii. If Seller fails to deliver any missing or corrected Mortgage Loan Document to Purchaser's satisfaction before the expiration of the Delivery Period (or with respect to any Delayed Document, within 30 days following the end of the Delivery Period, then Seller shall (1) repurchase such Mortgage Loan and (2) pay a penalty of \$10.00 per day per document for any such document that has not been provided to Purchaser.

e) Indemnification. In addition to the other remedies available to Purchaser hereunder or pursuant to applicable law, and whether or not Purchaser shall have first made a demand for repurchase, Seller shall indemnify and hold harmless Purchaser, its officers, directors, employees, its successors and assigns (each a "Purchaser Indemnitee") from any and all Damages that a Purchaser Indemnitee may sustain or incur in any way related to: (i) any actual or alleged breach by Seller, Interim Servicer, Seller's Representatives or any Third-Party Originator of any representations, warranties or covenants under the CLPA (including any Breaches); (ii) breach by such Purchaser Indemnitee of any covenant, representation, warranty, or other obligation made or incurred in favor of any other Person (including any Subsequent Transferee) in reliance upon any Applicable Requirement that is breached by Seller, Interim Servicer, Seller's Representatives or any Third-Party Originator; (iii) any act or omission on the part of Seller, Interim Servicer, Seller's Representatives or Third-Party Originator, or any other Person, in the origination, receiving, processing, funding or servicing any Mortgage Loan or Second Loan; (iv) any failure of Seller to provide Purchaser all relevant, accurate, and necessary documentation or failure to work with Purchaser to obtain necessary documentation or information to clear a curable repurchase request; (v) the unmarketability of any Mortgage Loan or a repurchase or indemnity demand from any Subsequent Transferee relating to a Mortgage Loan; and (vi) any third party allegation, demand, claim or action relating to any Mortgage Loan or Second Loan based, in whole or in part, upon any circumstances that occurred before the related Transfer Date (each a "Third Party Claim"). With respect to any Third Party Claim, Seller shall immediately notify Purchaser upon becoming aware of such claim, and Purchaser shall have the right to control the defense and negotiations of any such claim, and all of Purchaser's Damages relating to such defense and negotiations

(including the amounts of any judgments, decrees, and settlement) shall be subject to indemnification hereunder. Seller agrees to reasonably cooperate in the negotiation, defense (or settlement) of any Third Party Claim and to give Purchaser access to any information relevant thereto.

f) Offset. Purchaser may offset against the Purchase Price for any Mortgage Loan or against any other amounts owed by Purchaser to Seller pursuant to the CLPA or any other contract or instrument between Seller and Purchaser, any outstanding amounts owed to Purchaser by Seller or any affiliate of Seller, including: (i) fees, penalties and expenses arising out of Seller's failure to timely deliver any final documentation; (ii) pair-off fees, penalties or charges relating to delivered or undelivered Mortgage Loans; (iii) costs and expenses arising out of Seller's breach of any of its representations, warranties or covenants under the CLPA; and (iv) costs and expenses incurred by Purchaser as a result of action taken by Purchaser based on Purchaser's reasonable belief that Seller is no longer able to fulfill its obligations under the CLPA, including its repurchase and indemnification obligations.

g) Representatives, Interim Servicer and Third-Party Originators. Seller retains responsibility under the CLPA for each the acts or omissions of the Interim Servicer, Seller's Representatives and each Third-Party Originator as if such acts or omissions were performed by Seller, and Seller shall be fully liable to Purchaser for the failure of the Interim Servicer, Seller's Representatives and/or each Third-Party Originator to comply with the terms of the CLPA.

7. Power of Attorney.

With respect to each Mortgage Loan sold by Seller to Purchaser under the CLPA, Seller hereby irrevocably constitutes and appoints Purchaser its true and lawful attorney-in-fact, and in its name, place and stead and for its use and benefit hereby authorizes such attorney-in-fact, through any of its duly appointed officers, from time to time, to execute and/or acknowledge in writing, or by facsimile or electronic means, or otherwise, all documentation reasonably necessary and appropriate to effectuate any further sale, assignment, transfer or delivery of such Mortgage Loan, security instrument, Mortgage Note, Mortgaged Property or any part thereof or any interest therein. Seller hereby ratifies and confirms all actions that such attorney or any substitute shall lawfully take by virtue hereof with respect to any Mortgage Loan. If requested by Purchaser, or any successor or assign of Purchaser, Seller shall ratify and confirm any such action, sale, assignment, transfer or delivery by executing and delivering all such instruments and other documents as may be designated in any such request. Such actions may include any one or more of the following: (a) the substitution of any trustee in any mortgage; (b) the assignment of any Mortgage in the name of Seller to Purchaser, and the recordation of any such Mortgage or assignment; (c) the endorsement of any checks, drafts or other payment instruments made payable to Seller with respect to any such Mortgage Loan; (d) the modification, amendment or correction of any Mortgage Note, Mortgage, or any other Mortgage Loan Document; and (e) the preparation, execution and/or delivery of such other documentation in the name of Seller as Purchaser shall determine to be reasonably necessary and appropriate to carry out the transactions contemplated by the CLPA and/or the subsequent sale of any such Mortgage Loan. Seller gives and grants to

such attorney-in-fact full power and authority to do and perform each and all of the foregoing acts, as fully as Seller might or could do so on its own behalf, in each case solely with respect to any Mortgage Loan. The power of attorney contained in this section is coupled with an interest, is irrevocable, and shall survive any termination of the CLPA. Upon the request of Purchaser, Seller shall execute and acknowledge such additional powers of attorney as may be reasonably necessary to enable Purchaser, as such attorney-in-fact, to perform any of the actions described in this section.
